LEGISLATIVE COUNSEL'S DIGEST

AB 1608, as amended, Committee on Budget. ~~Budget Act of 2016.~~
State government.

(1) Existing law requires the State Board of Optometry to be responsible for the registration and regulation of nonresident contact lens sellers and dispensing opticians. Existing law authorizes a registered dispensing optician or optical company to operate, own, or have an ownership interest in a health plan, defined as a licensed health care service plan, and authorizes an optometrist, a registered dispensing optician, an optical company, or a health plan to execute a lease or other written agreement giving rise to a direct or indirect landlord-tenant relationship with an optometrist if specified conditions are contained in a written agreement. Existing law authorizes the board to inspect, upon request, an individual lease agreement and authorizes personal information, as defined, to be redacted from the lease agreement prior to submission of the lease agreement to the board. Existing law makes a violation of these provisions a crime.

This bill would, notwithstanding any other law and in addition to any action available to the board, authorize the board to issue a citation containing an order of abatement, an order to pay an administrative fine not to exceed \$50,000, or both, as specified, for a violation of a specific section of law. The bill would require the full amount of the assessed fine to be added to the fee for renewal of a license and would prohibit the license from being renewed without payment of both the renewal fee and the fine. The bill, among other things, would also delete the authorization to redact personal information from a lease agreement, and would, therefore, expand an existing crime resulting in the imposition of a state-mandated local program.

(2) Existing law requires any health plan, defined as a licensed health care service plan, to report to the board, among other things, that 100% of its locations no longer employ an optometrist by January 1, 2019. Existing law makes a violation of this provision a crime.

This bill would instead require a registered dispensing optician or optical company that owns a health plan to meet certain milestones, including that 100% of its locations no longer employ optometrists by

January 1, 2019, and report to the board whether those milestones have been met within 30 days of each milestone. The bill would also, notwithstanding any other law and in addition to any action available to the board, authorize the board to issue a citation containing an order of abatement, an order to pay an administrative fine not to exceed \$50,000, or both, as specified, for a violation of a specific section of law. The bill would require the full amount of the assessed fine to be added to the fee for renewal of a license and would prohibit the license from being renewed without payment of both the renewal fee and the fine. By placing new requirements on a registered dispensing optician or optical company, this bill would expand an existing crime, and would, therefore, impose a state-mandated local program.

(3) Under existing law, the Optometry Practice Act, the board consists of 11 members, 5 of whom are public members, 3 appointed by the Governor and one each appointed by the Senate Committee on Rules and the Speaker of the Assembly, and 6 of whom are nonpublic members appointed by the Governor. Existing law requires one of those nonpublic members to be a registered dispensing optician and requires the initial appointment of that member to replace the optometrist member whose term expired on June 1, 2015.

This bill, for appointments made on or after January 1, 2016, would authorize the Governor to appoint a spectacle lens dispenser or contact lens dispenser as that member.

(4) Existing law establishes a dispensing optician committee under the board, requires the committee to advise and make recommendations to the board regarding the regulation of dispensing opticians pursuant to the act, and tasks the committee with recommending registration standards and criteria for the registration of dispensing opticians and reviewing the disciplinary guidelines relating to registered dispensing opticians. Existing law requires the committee to consist of 2 registered dispensing opticians, 2 public members, and one member of the board.

This bill, as of January 1, 2016, would instead require one of those registered dispensing optician members to be a spectacle lens dispenser or a contact lens dispenser, would require the committee to additionally advise the board regarding the regulation of spectacle lens dispensers and contact lens dispensers, and would additionally task the committee with recommending registration standards and criteria for the registration of those dispensers and nonresident contact lens sellers and reviewing the disciplinary guidelines relating to those dispensers and nonresident contact lens sellers.

(5) Existing law establishes a system of public elementary and secondary education in this state in which local educational agencies provide instruction in kindergarten and grades 1 to 12, inclusive, in the public elementary and secondary schools. Existing law also establishes the California Community Colleges, under the administration of the Board of Governors of the California Community Colleges, and authorizes community college districts throughout the state to provide instruction at the campuses they operate.

With respect to facilities for both public elementary and secondary schools and for community colleges, existing law requires that the Department of General Services pass upon and approve or reject all plans for the construction of, or, if the estimated cost exceeds \$25,000, the alteration of, any school building. Existing law also requires, where the estimated cost of the reconstruction or alteration of, or an addition to, any school building exceeds \$25,000, but does not exceed \$100,000, that a licensed structural engineer examine the proposed project to determine if it is a nonstructural alteration or a structural alteration, as specified. Existing law authorizes the Department of General Services to increase the dollar amounts referenced above on an annual basis, commencing on January 1, 1999, according to an inflationary index governing construction costs that is selected and recognized by the department.

This bill would increase from \$25,000 to \$100,000 the estimated cost threshold for the requirement that the Department of General Services pass upon and approve or reject all plans for the construction or alteration of any school building. The bill would also increase the amounts in existing law so that, where the estimated cost of the reconstruction or alteration of, or an addition to, any school building exceeds \$100,000, but does not exceed \$225,000, a licensed structural engineer would be required to examine the proposed project as specified. The bill would authorize the Department of General Services to increase these dollar amounts on an annual basis, commencing on January 1, 2018, according to an inflationary index governing construction costs as referenced above.

(6) Existing law creates the Central Service Cost Recovery Fund, and provides for the deposit into that fund of amounts equal to the fair share of administrative costs due and payable from state agencies, and directs that moneys in the Central Service Cost Recovery Fund be appropriated for the administration of the state government, as determined by the Director of Finance. Existing law requires the

Department of Finance to certify annually to the Controller the amount determined to be the fair share of administrative costs due and payable from each state agency, and requires the Controller to transmit to each state agency from which administrative costs have been determined or redetermined to be due, a statement in writing setting forth the amount of the administrative costs due from the state agency and stating that, unless a written request to determine the payment is filed by the state agency, the Controller will transfer the amount of the administrative costs, or advance for administrative costs, from the special fund or funds charged to the Central Service Cost Recovery Fund or the General Fund, as specified. Existing law requires the Controller to transfer $\frac{1}{4}$ the amount determined on August 15, November 15, February 15, and May 15 of each fiscal year, as specified.

This bill would instead authorize the Department of Finance to allocate and charge a fair share of the administrative costs to all funds directly, and would require the department to certify to the Controller the amount determined to be the fair share of the administrative costs due and payable from each fund. This bill would eliminate the requirement that the Controller forward the determination of administrative costs to each state agency, and would require the Controller, upon order of the department, to transfer the amount of administrative costs, or advance for administrative costs, from special and nongovernmental cost funds to the Central Service Cost Recovery Fund or the General Fund. The bill would additionally authorize the Department of Finance to direct the Controller to advance a reasonable amount for administrative costs from a fund at any time during the year, as specified.

(7) Existing law requires a state agency if, upon receipt of the statement by the Controller, the state agency does not have funds available for the payment of the administrative costs, to notify the Controller and provide a written request to defer payment of those administrative costs, as specified.

This bill would instead require the Controller to notify the Department of Finance if a fund has an insufficient balance for the payment of the administrative costs, for direction by the department on affecting the transfer and its timing, and would make conforming changes.

(8) The Financial Information System for California (FISCAL) Act establishes the FISCAL system, a single integrated financial management system for the state. The act establishes the FISCAL Service Center and the FISCAL project office to exist concurrently during the phased

implementation of the FISCal system and requires the FISCal Service Center, upon full implementation and final acceptance of the FISCal system, to perform all maintenance and operation of the FISCal system. The act further establishes a FISCal Executive Partner who has responsibilities for the functions of the FISCal project office and the FISCal Service Center. The act requires the FISCal project office, subject to the approval of the Department of Finance, to establish and assess fees and a payment schedule for state departments and agencies to use or interface with the system, including fees to recover the costs of the FISCal system.

This bill would replace the FISCal Service Center with the Department of FISCal, with specified duties, make conforming changes, and would eliminate the FISCal Executive Partner and establish the Director of FISCal, who would be appointed by, and serve at the pleasure of, the Governor, subject to Senate confirmation. The bill would modify the requirement of the FISCal system to have a state budget transparency component. The bill would locate the department within the Government Operations Agency upon the acceptance of the system by the state, as determined by the Director of Finance. The bill would modify the fees assessed on state departments and agencies to pay for the design, development, and implementation of the system, as specified, and require administrative costs to the allocated and recovered in a specified manner.

(9) Existing law authorizes the Controller, until June 30, 2016, to procure, modify, and implement a new human resource management system that meets the needs of a modern state government, known as the 21st Century Project.

This bill would extend that authorization for one year, until June 30, 2017.

(10) The California Tourism Marketing Act authorizes the establishment of the California Travel and Tourism Commission, as a separate, independent California nonprofit mutual benefit corporation, for the purpose of promoting tourism in California, as specified. The act requires the commission to be composed of the Director of the Governor's Office of Business and Economic Development, who serves as the chairperson, 12 commissioners appointed by the Governor, as specified, and 24 commissioners selected by industry category in a referendum, as specified. The act further requires the commissioners to elect a vice chairperson from the 24 industry selected commissioners and authorizes the director to remove any elected commissioner

following a hearing at which the commissioner is found guilty of abuse of office or moral turpitude.

This bill would instead require the 12 commissioners who are appointed by the Governor to elect the chairperson and the 24 industry-selected commissioners to elect the vice chairperson.

(11) Existing law establishes, within the Government Operations Agency, the California Victim Compensation and Government Claims Board with various duties that include, among others, compensating the victims and derivative victims of specified types of crimes for losses suffered as a result of those crimes and processing certain types of claims against the state. The board is composed of the Secretary of Government Operations, or his or her designee, the Controller, and one member who is appointed by, and serves at the pleasure of, the Governor. Existing law specifies that any reference in statute or regulation to the State Board of Control shall be construed to refer to the California Victim Compensation and Government Claims Board.

Existing law establishes, also within the Government Operations Agency, the Department of General Services with various duties providing centralized services for state entities, including, but not limited to, construction and maintenance of state buildings and property, and purchasing, printing, and architectural services.

This bill would generally transfer duties relating to government claims and government accounts from the California Victim Compensation and Government Claims Board to the Department of General Services and the Controller, as specified, and make conforming changes. The bill would rename the board the California Victim Compensation Board and make conforming name changes in provisions related to the board's remaining duties regarding the compensation of victims and derivative victims of crimes.

The bill would authorize the Department of General Services to assign any matter related to the statutory powers and duties transferred by this bill to the Office of Risk and Insurance Management or to any state office so designated and would require the department to have a seal and to fix that seal to specified documents.

(12) Existing law requires that various actions by the Controller affecting state assets be approved by the California Victim Compensation and Government Claims Board. Existing law requires that a decision by a state agency to forgo collection of taxes, licenses, fees, or moneys owed to the state that are \$500 or less be approved by

the California Victim Compensation and Government Claims Board, as specified.

This bill would remove those requirements to take these actions.

(13) Existing law requires claimants to pay a fee for filing certain claims against the state. Existing law requires these fees to be deposited into the General Fund and authorizes their appropriation in support of certain items of the budget.

This bill would instead require those fees to be deposited into the Service Revolving Fund and to be only available for the support of the Department of General Services upon appropriation by the Legislature.

(14) Existing law authorizes the California Victim Compensation and Government Claims Board to assess a surcharge to a state entity against which an approval claim was filed in an amount not to exceed 15% of the total approved claim.

This bill would repeal that authorization.

(15) Existing law requires the costs of administering the California employees' annual charitable campaign fund drive be paid by the agency that receives the contributions. Existing law requires these amounts to be deposited into the General Fund.

This bill would instead require these amounts to be deposited into the Service Revolving Fund and to be only available for the support of the Department of General Services upon appropriation by the Legislature.

(16) Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts, the state is required to provide a subvention of funds to reimburse the local government, with specified exceptions. Existing law establishes a procedure for local governmental agencies to file claims for reimbursement of these costs with the Commission on State Mandates. If the commission determines there are costs mandated by the state, existing law requires the commission to determine the amount to be subvented to local agencies and school districts for reimbursement, and in doing so, to adopt parameters and guidelines for reimbursement of any claims. In adopting the parameters and guidelines, existing law authorizes the commission to adopt a reasonable reimbursement methodology, as specified.

This bill would, until July 1, 2019, require a reasonable reimbursement methodology that is based on, in whole or in part, costs that have been included in claims submitted to the Controller for reimbursement to only use costs that have been audited by the

Controller, as provided. The bill would also require the Controller, in coordination with the Commission on State Mandates and Department of Finance, by October 1, 2018, to prepare a report to the Legislature regarding implementation of the new reasonable reimbursement process and for the hearings on the report to be held in the appropriate policy committees of the Legislature.

(17) The Public Employees' Medical and Hospital Care Act (PEMHCA), which is administered by the Board of Administration of the Public Employees' Retirement System (board), authorizes the board to contract for health benefit plans for employees and annuitants, as defined. Under PEMHCA, the state and contracting agencies, as defined, are required to contribute amounts sufficient to cover the board's administrative costs to a specified account in the Public Employees' Contingency Reserve Fund, expenditure of which is contingent upon approval by the Department of Finance and the Joint Legislative Budget Committee, as specified. Under PEMHCA, moneys from health benefit plans for risk adjustment, reserve moneys from terminated health benefit plans, and self-funded or minimum premium plan premiums are deposited into the Public Employees' Health Care Fund, which is continuously appropriated to pay benefits and claims costs, administrative costs, refunds, and other costs determined by the board.

This bill would condition the expenditure for administrative expenses of moneys in the Public Employees' Health Care Fund or the account for administrative expenses in the Public Employees' Contingency Reserve Fund on approval in the annual Budget Act. The bill would also discontinue the authorization for the use of moneys in the Public Employees' Health Care Fund to pay other costs determined by the board.

(18) Existing law establishes the Joint Rules Committee and authorizes it to take specified actions as an investigatory committee of the Legislature. Existing law requires the Joint Rules Committee to allocate space in the State Capitol Building Annex, with certain exceptions, in accordance with its determination of the needs of the Legislature, as provided. Existing law vests control of the maintenance and operation of the State Capitol Building Annex in the Department of General Services. Existing law provides for the expenditure of funds for the contingent and joint expenses of the Senate and Assembly under or pursuant to the direction of the Joint Rules Committee.

This bill would authorize the Joint Rules Committee to pursue the construction of a state capitol building annex or the restoration,

rehabilitation, renovation, or reconstruction of the existing State Capitol Building Annex. The bill would require that the work performed pursuant to these provisions be administered and supervised by the Department of General Services, subject to review by the State Public Works Board, pursuant to an agreement with the Joint Rules Committee. The bill would require the Department of General Services to report to the Joint Rules Committee on the scope, budget, delivery method, and schedule for any space to be constructed, restored, rehabilitated, renovated, or reconstructed pursuant to these provisions. The bill would exempt all work performed by the Department of General Services pursuant to these provisions from the State Contract Act. The bill would require that prevailing wages be paid to all workers employed on a project that is subject to these provisions. The bill would declare the intent of the Legislature regarding capitol building annex projects.

Existing law authorizes the Director of General Services, if no other agency is specifically authorized and directed, to acquire title to real property in the name of the state whenever the acquisition of real property is authorized or contemplated by law and imposes various duties on the Department of General Services with respect to the maintenance and operation of state buildings and grounds. Existing law, the State Building Construction Act of 1955, provides for the acquisition and construction of public buildings for use by state agencies by the State Public Works Board, subject to authorization by a separate act or appropriation enacted by the Legislature.

This bill would establish the State Project Infrastructure Fund and continuously appropriate the moneys in that fund for state projects, as defined, and for the report and work described above with respect to a new state capitol building annex or the existing State Capitol Building Annex. The bill would subject the defined state projects to the approval and administrative oversight by the Department of Finance and the State Public Works Board and would require the State Public Works Board to establish the scope, cost, and delivery method for each state project. The bill would require the Department of Finance, on behalf of the Department of General Services, to provide specified notices to the Joint Legislative Budget Committee, including a notice prior to the establishment of the scope, cost, and delivery method by the State Public Works Board describing the scope, budget, delivery method, expected tenants, and schedule for any space to be constructed or renovated for each state project. The bill would also require the Department of General Services to submit, on a quarterly basis, a report on the status

of each state project established by the State Public Works Board to the Joint Legislative Budget Committee and to the chairpersons of the Senate Committee on Budget and Fiscal Review and the Assembly Committee on Budget, as provided.

The California Environmental Quality Act, referred to as CEQA, requires a lead agency, as defined, to prepare, or cause to be prepared and certify the completion of an environmental impact report, referred to as an EIR, on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA establishes a procedure for the preparation and certification of the record of proceedings upon the filing of an action or proceeding challenging a lead agency's action on the grounds of noncompliance with CEQA.

A provision of CEQA requires the Judicial Council to adopt a rule of court establishing procedures applicable to actions or proceedings brought to attack, review, set aside, void, or annul the certification of the environmental impact report for a specified entertainment and sports center project, as provided, or the granting of any project approvals that require the actions or proceedings be resolved, within 270 days of certification of the record of proceedings. Existing law also requires the preparation and certification of the administrative record for that project to comply with certain procedures. Existing law requires the draft and final EIR for that project to each include a notice containing specified information relating to required procedures for judicial actions challenging the certification of the EIR or the approval of a project described in the EIR. Existing law requires the lead agency to conduct an informational public workshop and hold a public hearing on the draft EIR, as provided. Existing law prohibits a court from enjoining the construction or operation of specified components of the entertainment and sports center project unless the court makes specified findings.

This bill would apply similar provisions to the construction of a state capitol building annex or the restoration, rehabilitation, renovation, or reconstruction of the existing State Capitol Building Annex, as described above.

This bill would, upon the direction of the Director of Finance, transfer \$1,300,000,000 from the General Fund to the State Project Infrastructure Fund. The bill would require that \$1,000,000,000 of this money be transferred on or after July 1, 2016, and no later than June

30, 2017, and the remaining \$300,000,000 be transferred on or after July 1, 2017.

(19) Existing law regulates the employment of minors in the entertainment industry and requires the written consent of the Labor Commissioner for a minor under 16 years of age to take part in certain types of employment. Existing law establishes a program to be administered by the commissioner that enables a minor's parent or guardian, prior to the first employment of a minor performer and under specified conditions, to obtain a temporary permit for the employment of a minor. Existing law requires the commissioner to deposit all fees for temporary permits received into the Entertainment Work Permit Fund, with the funds to be available upon appropriation by the Legislature to pay for the costs of administration of the online temporary minor's entertainment work permit program.

This bill would require those permit fees and certain other revenues to instead be deposited in the Labor Enforcement and Compliance Fund. The bill would abolish the Entertainment Work Permit Fund and transfer moneys in, and assets, liabilities, revenues, expenditures, and encumbrances of, that fund to the Labor Enforcement and Compliance Fund.

(20) Existing law requires farm labor contractors to be licensed by the commissioner and to comply with specified employment laws applicable to farm labor contractors. Existing law requires farm labor contractors to pay license fees to the commissioner and continuously appropriates a portion of the fee revenues for enforcement and verification purposes. Existing law requires specified amounts of a license fee to be deposited in the Farmworker Remedial Account and expended by the commissioner to fund the Farm Labor Contractor Enforcement Unit and the Farm Labor Contractor License Verification Unit, and the remaining money to be credited to the General Fund.

This bill would require the money not used to fund those units to be paid instead into the Labor Enforcement and Compliance Fund and would make a conforming change.

(21) Existing law governs talent agency licensure and establishes specific fees. Existing law requires moneys collected for licenses and fines collected for violations to be paid into the State Treasury and credited to the General Fund.

This bill would instead require that all moneys collected for filing fees and licenses be credited to the Labor Enforcement and Compliance

Fund, and that fines collected for violations be credited to the General Fund.

(22) Existing law establishes a Child Performer Services Permit program and requires the commissioner to deposit filing fees into the Child Performer Services Permit Fund (permit fund), the revenues of which are available, upon appropriation by the Legislature, to pay for the costs of administering the program.

This bill would require the fees to be deposited in the Labor Enforcement and Compliance Fund. The bill would abolish the permit fund and transfer any moneys in the permit fund and any assets, liabilities, revenues, expenditures, and encumbrances of that fund to the Labor Enforcement and Compliance Fund.

(23) Existing law defines “public works,” for purposes of requirements regarding the payment of prevailing wages for public works projects, to include, among other things, the hauling and delivery of ready-mixed concrete, as defined, to carry out a public works contract, with respect to contracts involving any state agency or any political subdivision of the state. Existing law, also requires the entity hauling or delivering ready-mixed concrete to enter into a written subcontract agreement with, and to provide employee payroll and time records to, the party that engaged that entity within 3 days, as specified. Existing law provides that these provisions apply to public works contracts awarded on or after July 1, 2016.

This bill would extend the time to submit employee payroll records to 5 days. The bill would provide that these provisions do not apply to public works contracts advertised for bid or awarded prior to July 1, 2016.

(24) Existing law regulates various aspects of the car washing and polishing industry and requires the commissioner to collect a \$250 registration fee from employers engaged in the business for each branch location and to periodically adjust the registration fee for inflation to ensure that the fee is sufficient to fund all costs to administer and enforce those provisions. Existing law requires, in addition to that fee, each employer be assessed an annual \$50 fee for each branch location to be deposited in the Car Wash Worker Restitution Fund.

This bill would remove the specific amount for the registration fee and would authorize the periodic adjustment of the fee, except as specified, in an amount sufficient to fund all direct and indirect costs to administer and enforce those provisions. The bill would fix the annual

fee for deposit in the Car Wash Worker Restitution Fund in an amount equaling 20% of the registration fee.

(25) Existing law requires a person employing an industrial homemaker to obtain a valid industrial homework license from the Division of Labor Standards Enforcement, and establishes license and renewal fees, to be paid into the State Treasury. Existing law requires a person doing industrial homework to have a valid homemaker's permit issued to him or her by the division and sets the fee at \$25.

This bill would require those fee and permit moneys to be paid into the Labor Enforcement and Compliance Fund.

(26) Existing law, the Labor Code Private Attorneys General Act of 2004, authorizes an aggrieved employee to bring a civil action to recover specified civil penalties, that would otherwise be assessed and collected by the Labor and Workforce Development Agency (agency), on behalf of the employee and other current or former employees for the violation of certain provisions affecting employees. Existing law requires notice of the claim from the aggrieved employee to the agency and to the employer by certified mail. Existing law provides that an employee who prevails in an action under these provisions is entitled to recover his or her reasonable attorney's fees and costs.

This bill would instead require that the notice to the agency be provided online, accompanied by a reasonable filing fee not to exceed a specified amount that would be deposited into the Labor and Workforce Development Fund to cover the administrative costs of processing the notice. The bill would, for cases filed on or after July 1, 2016, extend the timeframe for the agency to notify the employer and employee that it does not intend to investigate the alleged violation. The bill would entitle an employee who prevails in an action under these provisions to also recover his or her filing fees.

This bill would declare the intent of the Legislature that the agency shall continue to assign duties under the Labor Code Private Attorneys General Act of 2004 to entities where those duties are customarily performed.

Existing law provides that the court review and approve any penalties sought as a part of a proposed settlement of a claim.

This bill would require the proposed settlement agreement to be also sent to the agency. This bill would, until July 1, 2021, authorize the agency to extend the time to complete its investigation by 60 days when the agency determines an extension is necessary and issues a notice, as specified.

(27) Existing law requires the Division of Occupational Safety and Health to require a permit for specific types of construction, demolition, and work in mines and tunnels, and requires an employer or contractor who engages in certain asbestos-related work to register with the division. Existing law requires the division to set fees for permits in an amount reasonably necessary to cover the costs involved in investigating and issuing such permits.

This bill would require the division to set the fees to be charged for permits and registrations in amounts reasonably necessary to cover the costs involved in administering the permitting and registration programs and would require all permit and registration fees collected to be deposited in the Occupational Safety and Health Fund.

(28) Existing law governs the design, erection, construction, installation, material alteration, inspection, testing, maintenance, repair, service, and operation of specific conveyances and their associated parts. Existing law establishes certification and licensing programs for inspectors, companies, and mechanics, and for conveyance inspection and permitting programs, with fees established by the Division of Occupational Safety and Health based on prescribed costs to the division.

This bill would revise those provisions to require the fees to be based on costs to the division of administering those programs, including direct costs and a reasonable percentage attributable to the indirect costs of the division for administering those provisions.

(29) Existing law requires the Division of Occupational Safety and Health to administer a permit and inspection program for aerial passenger tramways. Existing law authorizes the division to fix fees for inspection as it deems necessary to cover the actual cost of having the inspection performed by a division safety engineer. Existing law prohibits the division from charging for inspections performed by certified insurance inspectors, but authorizes a fee of not more than \$10 to cover the cost of processing the permit when issued by the division as a result of the inspection. Fees collected by the division are deposited into the Elevator Safety Account to support the program.

This bill would remove the term “aerial” in those provisions and would instead refer only to “passenger tramways.” The bill would require the division to fix and collect fees for inspection of passenger tramways to cover direct costs and a reasonable percentage attributable to the indirect costs of the division for administering those provisions. The bill would remove the cap on the processing fee. The bill would

require those fees to be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account, and would transfer specific moneys in the Elevator Safety Account to the Occupational Safety and Health Fund, together with any assets, liabilities, revenues, expenditures, and encumbrances of that fund attributable to the program, the portable amusement ride inspection program, and the Permanent Amusement Ride Safety Inspection Program.

(30) Existing law requires the Division of Occupational Safety and Health to administer a permit and inspection program for tower cranes. Existing law requires the division to set fees for permits sufficient to cover prescribed program costs. Existing law authorizes the division to collect fees for the examination and licensing of crane certifiers as necessary to cover actual costs of administration. Fees collected by the division under those provisions are deposited into the General Fund.

This bill would require the division to collect those crane certifier fees, would require all the above fees to be set to cover the costs of administering the above provisions, and would authorize the inclusion of direct costs and a reasonable percentage attributable to the indirect costs of the division for administration. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account.

(31) Existing law authorizes the establishment and collection of fees by the Division of Occupational Safety and Health for specified services relating to tanks, boilers, and pressure vessels. Under existing law, inspection fees collected are paid into the Pressure Vessel Account.

This bill would remove an existing \$15 cap on a permit processing fee, and would require all fees relating to tanks, boilers, and pressure vessels to be in amounts sufficient to cover the division's direct and indirect costs for administering these provisions. The bill would expand the fees paid into the Pressure Vessel Account to include all fees collected under those tank, boiler, and pressure vessel provisions.

(32) Existing law, the Amusement Rides Safety Law, authorizes the establishment and collection of fees by the Division of Occupational Safety and Health for inspection and permitting of amusement rides. Fees collected under those provisions are deposited into the Elevator Safety Account. Existing law requires the division to submit an annual report on amusement ride safety to the Division of Fairs and Expositions within the Department of Food and Agriculture (DFA), including route location information submitted by permit applicants.

The bill would require the division to set fees relating to amusement rides, initially by emergency regulation, in amounts necessary to cover costs for administering those provisions, and would authorize the inclusion of direct costs and a reasonable percentage attributable to the indirect costs of the division for administration. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account. The bill would require the division to post the amusement ride safety report on its Internet Web site instead of submitting it to the DFA, and would make the inclusion of route location information discretionary.

(33) Existing law establishes the Permanent Amusement Ride Safety Inspection Program, which authorizes the Division of Occupational Safety to fix and collect fees to cover the costs of administering the program, and fees collected are deposited in the Elevator Safety Account.

This bill would require the division to collect those fees and include direct and reasonable indirect costs for administration. The bill would require the division to impose a penalty equal to 100% of the initial fee if a person owning or having custody, management, or operation of a permanent amusement ride fails to pay any fee required under the program within 60 days after the date of notification by the division. The bill would require that fees be deposited in the Occupational Safety and Health Fund instead of the Elevator Safety Account.

(34) Existing law establishes licensing and certification provisions relating to tunnel and mine safety for explosive blasters, gas testers, and safety representatives administered by the Division of Occupational Safety and Health. Those provisions set fees for licensure and renewals. Existing law requires those fees to be deposited in the General Fund.

This bill would revise those provisions to require the division to set fees to include direct costs and a reasonable percentage attributable to the indirect costs of the division for administration, and to deposit those fees in the Occupational Safety and Health Fund.

(35) Under existing law relating to the certification of asbestos consultants and site surveillance technicians, fees authorized to be collected by the Division of Occupational Safety and Health, as provided, are deposited in accounts within the Asbestos Training and Consultant Certification Fund.

This bill would require the division to collect those fees and require that fees be deposited in the Occupational Safety and Health Fund

instead of the Asbestos Training and Consultant Certification Fund, which latter fund the bill would abolish.

(36) Existing law requires the Division of Occupational Safety and Health to inspect the operation of the rides at a permanent amusement park annually. Existing law requires operators to submit to the division an annual certificate of compliance, including a prescribed declaration by a qualified safety inspector, and to maintain prescribed records and make them available for inspection by the division. Existing law requires the division to conduct an inspection of the operation of the rides in conjunction with an inspection of records.

This bill would exempt the division from that requirement to conduct an operational inspection of a ride in conjunction with an inspection of records if a qualified safety inspector employed by the division has already inspected the operation of the ride in connection with the execution of the current annual certificate of compliance.

(37) Existing law allows a credit against the taxes imposed under the Corporation Tax Law and the Personal Income Tax Law for each taxable year beginning on or after January 1, 2014, and before January 1, 2025, in an amount as provided in a written agreement between the Governor's Office of Business and Economic Development and the taxpayer, agreed upon by the California Competes Tax Credit Committee, and based on specified factors, including the number of jobs the taxpayer will create or retain in the state and the amount of investment in the state by the taxpayer. Existing law limits the aggregate amount of credits allocated to taxpayers to a specified sum per fiscal year.

This bill would authorize the Governor's Office of Business and Economic Development, when determining whether to enter into a written agreement with a taxpayer, to consider additional factors including, but not limited to, the financial solvency of the taxpayer and the taxpayer's compliance with state and federal laws. The bill would also state the legislative intent relating to this bill.

(38) Existing law, the Corporation Tax Law, for taxable years beginning on or after January 1, 2015, and before January 1, 2030, allows, with regard to the manufacture of a new advanced strategic aircraft for the United States Air Force, a credit against the taxes imposed under that law in an amount equal to a specified percentage of qualified wages paid or incurred with respect to qualified full-time employees, as multiplied by an annual full-time equivalent ratio, by the qualified taxpayer. Existing law defines a "qualified taxpayer" as a

prime contractor or a major first-tier contractor awarded a contract related to the New Advanced Strategic Aircraft Program. The contract was awarded in 2016 to a qualified taxpayer that is a prime contractor, and no other taxpayers are qualified taxpayers, as defined, under that contract.

This bill would allow the above-described credit for taxable years beginning on or after January 1, 2016, and before January 1, 2031, as the New Advanced Strategic Aircraft Program contract was awarded in 2016.

(39) Existing law, federal Workforce Innovation and Opportunity Act, provides for workforce investment activities, including activities in which states may participate. Existing law provides that the California Workforce Development Board is responsible for assisting the Governor in the development, oversight, and continuous improvement of California's workforce investment system.

Existing law requires the Director of Employment Development to permit information in his or her possession to be used for specified purposes, including to assist various state agencies to perform specified duties.

This bill would require the director to permit the use of information in his or her possession to enable the California Workforce Development Board, the Chancellor of the California Community Colleges, the Superintendent of Public Instruction, the Department of Rehabilitation, the State Department of Social Services, the Bureau for Private Postsecondary Education, the Department of Industrial Relations, Division of Apprenticeship Standards, and the Employment Training Panel to access any relevant quarterly wage data necessary for the evaluation and reporting of their respective program performance outcomes.

(40) Existing law requires the California Workforce Development Board to assist the Governor in developing and updating comprehensive state performance accountability measures to assess the effectiveness of core programs in the state. As part of that process, existing law authorizes the State Department of Education to collect the social security numbers of adults participating in adult education programs so that accurate participation in those programs can be represented. Existing law requires the State Department of Education to keep this information confidential.

This bill would authorize the State Department of Education to share the social security numbers of adults participating in adult education

programs with the Employment Development Department, and would require the Employment Development Department to keep the information confidential and only use it to track the labor market progress of program participants, as specified.

(41) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(42) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

~~This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2016.~~

Vote: majority. Appropriation: ~~no~~ yes. Fiscal committee: ~~no~~ yes. State-mandated local program: ~~no~~ yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 655 of the Business and Professions Code
2 is amended to read:
3 655. (a) For the purposes of this section, the following terms
4 have the following meanings:
5 (1) “Health plan” means a health care service plan licensed
6 pursuant to the Knox-Keene Health Care Service Plan Act of 1975
7 (Chapter 2.2 (commencing with Section 1340) of Division 2 of
8 the Health and Safety Code).
9 (2) “Optical company” means a person or entity that is engaged
10 in the manufacture, sale, or distribution to physicians and surgeons,
11 optometrists, health plans, or dispensing opticians of lenses, frames,
12 optical supplies, or optometric appliances or devices or kindred
13 products.
14 (3) “Optometrist” means a person licensed pursuant to Chapter
15 7 (commencing with Section 3000) or an optometric corporation,
16 as described in Section 3160.
17 (4) “Registered dispensing optician” means a person licensed
18 pursuant to Chapter 5.5 (commencing with Section 2550).
19 (5) “Therapeutic ophthalmic product” means lenses or other
20 products that provide direct treatment of eye disease or visual
21 rehabilitation for diseased eyes.

1 (b) No optometrist may have any membership, proprietary
2 interest, coownership, or any profit-sharing arrangement, either
3 by stock ownership, interlocking directors, trusteeship, mortgage,
4 or trust deed, with any registered dispensing optician or any optical
5 company, except as otherwise permitted under this section.

6 (c) (1) A registered dispensing optician or an optical company
7 may operate, own, or have an ownership interest in a health plan
8 so long as the health plan does not directly employ optometrists
9 to provide optometric services directly to enrollees of the health
10 plan, and may directly or indirectly provide products and services
11 to the health plan or its contracted providers or enrollees or to other
12 optometrists. For purposes of this section, an optometrist may be
13 employed by a health plan as a clinical director for the health plan
14 pursuant to Section 1367.01 of the Health and Safety Code or to
15 perform services related to utilization management or quality
16 assurance or other similar related services that do not require the
17 optometrist to directly provide health care services to enrollees.
18 In addition, an optometrist serving as a clinical director may not
19 employ optometrists to provide health care services to enrollees
20 of the health plan for which the optometrist is serving as clinical
21 director. For the purposes of this section, the health plan's
22 utilization management and quality assurance programs that are
23 consistent with the Knox-Keene Health Care Service Plan Act of
24 1975 (Chapter 2.2 (commencing with Section 1340) of Division
25 2 of the Health and Safety Code) do not constitute providing health
26 care services to enrollees.

27 (2) The registered dispensing optician or optical company shall
28 not interfere with the professional judgment of the optometrist.

29 (3) The Department of Managed Health Care shall forward to
30 the State Board of Optometry any complaints received from
31 consumers that allege that an optometrist violated the Optometry
32 Practice Act (Chapter 7 (commencing with Section 3000)). The
33 Department of Managed Health Care and the State Board of
34 Optometry shall enter into an Inter-Agency Agreement regarding
35 the sharing of information related to the services provided by an
36 optometrist that may be in violation of the Optometry Practice Act
37 that the Department of Managed Health Care encounters in the
38 course of the administration of the Knox-Keene Health Care
39 Service Plan Act of 1975 (Chapter 2.2 (commencing with section
40 1340) of Division 2 of the Health and Safety ~~Code~~: Code).

1 (d) An optometrist, a registered dispensing optician, an optical
2 company, or a health plan may execute a lease or other written
3 agreement giving rise to a direct or indirect landlord-tenant
4 relationship with an optometrist, if all of the following conditions
5 are contained in a written agreement establishing the
6 landlord-tenant relationship:

7 (1) (A) The practice shall be owned by the optometrist and in
8 every phase be under the optometrist's exclusive control, including
9 the selection and supervision of optometric staff, the scheduling
10 of patients, the amount of time the optometrist spends with patients,
11 fees charged for optometric products and services, the examination
12 procedures and treatment provided to patients and the optometrist's
13 contracting with managed care organizations.

14 (B) Subparagraph ~~A~~ (A) shall not preclude a lease from including
15 commercially reasonable terms that: (i) require the provision of
16 optometric services at the leased space during certain days and
17 hours, (ii) restrict the leased space from being used for the sale or
18 offer for sale of spectacles, frames, lenses, contact lenses, or other
19 ophthalmic products, except that the optometrist shall be permitted
20 to sell therapeutic ophthalmic products if the registered dispensing
21 optician, health plan, or optical company located on or adjacent
22 to the optometrist's leased space does not offer any substantially
23 similar therapeutic ophthalmic products for sale, (iii) require the
24 optometrist to contract with a health plan network, health plan, or
25 health insurer, or (iv) permit the landlord to directly or indirectly
26 provide furnishings and equipment in the leased space.

27 (2) The optometrist's records shall be the sole property of the
28 optometrist. Only the optometrist and those persons with written
29 authorization from the optometrist shall have access to the patient
30 records and the examination room, except as otherwise provided
31 by law.

32 (3) The optometrist's leased space shall be definite and distinct
33 from space occupied by other occupants of the premises, have a
34 sign designating that the leased space is occupied by an
35 independent optometrist or optometrists and be accessible to the
36 optometrist after hours or in the case of an emergency, subject to
37 the facility's general accessibility. This paragraph shall not require
38 a separate entrance to the optometrist's leased space.

39 (4) All signs and displays shall be separate and distinct from
40 that of the other occupants and shall have the optometrist's name

1 and the word “optometrist” prominently displayed in connection
2 therewith. This paragraph shall not prohibit the optometrist from
3 advertising the optometrist’s practice location with reference to
4 other occupants or prohibit the optometrist or registered dispensing
5 optician from advertising their participation in any health plan’s
6 network or the health plan’s products in which the optometrist or
7 registered dispensing optician participates.

8 (5) There shall be no signs displayed on any part of the premises
9 or in any advertising indicating that the optometrist is employed
10 or controlled by the registered dispensing optician, health plan or
11 optical company.

12 (6) Except for a statement that an independent doctor of
13 optometry is located in the leased space, in-store pricing signs and
14 as otherwise permitted by this subdivision, the registered
15 dispensing optician or optical company shall not link its advertising
16 with the optometrist’s name, practice, or fees.

17 (7) Notwithstanding paragraphs (4) and (6), this subdivision
18 shall not preclude a health plan from advertising its health plan
19 products and associated premium costs and any copayments,
20 coinsurance, deductibles, or other forms of cost-sharing, or the
21 names and locations of the health plan’s providers, including any
22 optometrists or registered dispensing opticians that provide
23 professional services, in compliance with the Knox-Keene Health
24 Care Service Plan Act of 1975 (Chapter 2.2 (commencing with
25 Section 1340) of Division 2 of the Health and Safety Code).

26 (8) A health plan that advertises its products and services in
27 accordance with paragraph (7) shall not advertise the optometrist’s
28 fees for products and services that are not included in the health
29 plan’s contract with the optometrist.

30 (9) The optometrist shall not be precluded from collecting fees
31 for services that are not included in a health plan’s products and
32 services, subject to any patient disclosure requirements contained
33 in the health plan’s provider agreement with the optometrist or
34 that are not otherwise prohibited by the Knox-Keene Health Care
35 Service Plan Act of 1975 (Chapter 2.2 (commencing with Section
36 1340) of Division 2 of the Health and Safety Code).

37 (10) The term of the lease shall be no less than one year and
38 shall not require the optometrist to contract exclusively with a
39 health plan. The optometrist may terminate the lease according to

1 the terms of the lease. The landlord may terminate the lease for
2 the following reasons:

3 (A) The optometrist's failure to maintain a license to practice
4 optometry or the imposition of restrictions, suspension or
5 revocation of the optometrist's license or if the optometrist or the
6 optometrist's employee is or becomes ineligible to participate in
7 state or federal government-funded programs.

8 (B) Termination of any underlying lease where the optometrist
9 has subleased space, or the optometrist's failure to comply with
10 the underlying lease provisions that are made applicable to the
11 optometrist.

12 (C) If the health plan is the landlord, the termination of the
13 provider agreement between the health plan and the optometrist,
14 in accordance with the Knox-Keene Health Care Service Plan Act
15 of 1975 (Chapter 2.2 (commencing with Section 1340) of Division
16 2 of the Health and Safety Code).

17 (D) Other reasons pursuant to the terms of the lease or permitted
18 under the Civil Code.

19 (11) The landlord shall act in good faith in terminating the lease
20 and in no case shall the landlord terminate the lease for reasons
21 that constitute interference with the practice of optometry.

22 (12) Lease or rent terms and payments shall not be based on
23 number of eye exams performed, prescriptions written, patient
24 referrals or the sale or promotion of the products of a registered
25 dispensing optician or an optical company.

26 (13) The landlord shall not terminate the lease solely because
27 of a report, complaint, or allegation filed by the optometrist against
28 the landlord, a registered dispensing optician or a health plan, to
29 the State Board of Optometry or the Department of Managed
30 Health Care or any law enforcement or regulatory agency.

31 (14) The landlord shall provide the optometrist with written
32 notice of the scheduled expiration date of a lease at least 60 days
33 prior to the scheduled expiration date. This notice obligation shall
34 not affect the ability of either party to terminate the lease pursuant
35 to this section. The landlord may not interfere with an outgoing
36 optometrist's efforts to inform the optometrist's patients, in
37 accordance with customary practice and professional obligations,
38 of the relocation of the optometrist's practice.

39 (15) The State Board of Optometry may inspect, upon request,
40 an individual lease agreement pursuant to its investigational

1 authority, and if such a request is made, the landlord or tenant, as
2 applicable, shall promptly comply with the request. Failure or
3 refusal to comply with the request for lease agreements within 30
4 days of receiving the request constitutes unprofessional conduct
5 and is grounds for disciplinary action by the appropriate regulatory
6 agency. ~~Only personal information as defined in Section 1798.3~~
7 ~~of the Civil Code may be redacted prior to submission of the lease~~
8 ~~or agreement.~~ This section shall not affect the Department of
9 Managed Health Care's authority to inspect all books and records
10 of a health plan pursuant to Section 1381 of the Health and Safety
11 Code.

12 Any financial information contained in the lease submitted to a
13 regulatory entity, pursuant to this paragraph, shall be considered
14 confidential trade secret information that is exempt from disclosure
15 under the California Public Records Act (Chapter 3.5 (commencing
16 with Section 6250) of Division 7 of Title 1 of the Government
17 Code).

18 (16) This subdivision shall not be applicable to the relationship
19 between any optometrist employee and the employer medical
20 group, or the relationship between a medical group exclusively
21 contracted with a health plan regulated by the Department of
22 Managed Health Care and that health plan.

23 (e) No registered dispensing optician may have any membership,
24 proprietary interest, coownership, or profit sharing arrangement
25 either by stock ownership, interlocking directors, trusteeship,
26 mortgage, or trust deed, with an optometrist, except as permitted
27 under this section.

28 (f) Nothing in this section shall prohibit a person licensed under
29 Chapter 5 (commencing with Section 2000) or its professional
30 corporation from contracting with or employing optometrists,
31 ophthalmologists, or optometric assistants and entering into a
32 contract or landlord tenant relationship with a health plan, an
33 optical company, or a registered dispensing optician, in accordance
34 with Sections 650 and 654 of this code.

35 (g) Any violation of this section constitutes a misdemeanor as
36 to such person licensed under Chapter 7 (commencing with Section
37 3000) of this division and as to any and all persons, whether or
38 not so licensed under this division, who participate with such
39 licensed person in a violation of any provision of this section.

1 (h) (1) Notwithstanding any other law and in addition to any
2 action available to the State Board of Optometry, the State Board
3 of Optometry may issue a citation containing an order of
4 abatement, an order to pay an administrative fine, or both, to an
5 optical company, an optometrist, or a registered dispensing
6 optician for a violation of this section. The administrative fine
7 shall not exceed fifty thousand dollars (\$50,000). In assessing the
8 amount of the fine, the board shall give due consideration to all
9 of the following:

10 (A) The gravity of the violation.

11 (B) The good faith of the cited person or entity.

12 (C) The history of previous violations of the same or similar
13 nature.

14 (D) Evidence that the violation was or was not willful.

15 (E) The extent to which the cited person or entity has cooperated
16 with the board's investigation.

17 (F) The extent to which the cited person or entity has mitigated
18 or attempted to mitigate any damage or injury caused by the
19 violation.

20 (G) Any other factors as justice may require.

21 (2) A citation or fine assessment issued pursuant to a citation
22 shall inform the cited person or entity that if a hearing is desired
23 to contest the finding of a violation, that hearing shall be requested
24 by written notice to the board within 30 days of the date of issuance
25 of the citation or assessment. If a hearing is not requested pursuant
26 to this section, payment of any fine shall not constitute an
27 admission of the violation charged. Hearings shall be held pursuant
28 to Chapter 5 (commencing with Section 11500) of Part 1 of
29 Division 3 of Title 2 of the Government Code.

30 (3) The board shall adopt regulations to implement a system
31 for the issuance of citations, administrative fines, and orders of
32 abatement authorized by this section. The regulations shall include
33 provisions for both of the following:

34 (A) The issuance of a citation without an administrative fine.

35 (B) The opportunity for a cited person or entity to have an
36 informal conference with the executive officer of the board in
37 addition to the hearing described in paragraph (2).

38 (4) The failure of a licensee to pay a fine within 30 days of the
39 date of assessment, unless the citation is being appealed, may
40 result in disciplinary action being taken by the board. Where a

1 citation is not contested and a fine is not paid, the full amount of
2 the assessed fine shall be added to the fee for renewal of the
3 license. A license shall not be renewed without payment of the
4 renewal fee and fine.

5 (5) Notwithstanding any other law, if a fine is paid to satisfy an
6 assessment based on the finding of a violation, payment of the fine
7 shall be represented as satisfactory resolution of the matter for
8 purposes of public disclosure.

9 (i) Administrative fines collected pursuant to this section shall
10 be deposited in the Dispensing Opticians Fund. It is the intent of
11 the Legislature that moneys collected as fines and deposited in the
12 fund be used by the board primarily for enforcement purposes.

13 SEC. 2. Section 2556.1 of the Business and Professions Code
14 is amended to read:

8 agency concerned and the board or by adjustment of the employer's
9 rate of contribution. Adjustments to correct any other errors in
10 payments to or by the board, including adjustments of
11 contributions, with interest, that are found to be erroneous as the
12 result of corrections of dates of birth, may be made in the same
13 manner. Adjustments to correct overpayment of a retirement
14 allowance may also be made by adjusting the allowance so that
15 the retired person or the retired person and his or her beneficiary,
16 as the case may be, will receive the actuarial equivalent of the
17 allowance to which the member is entitled. Losses or gains
18 resulting from error in amounts within the limits set by the

35 on the basis of the mortality tables and actuarial interest rate in
36 effect under this system on December 1, 1970, for retirements

SEC. 167. Section 25375 of the Health and Safety Code is amended to read:

25375. (a) If the ~~board~~ Department of General Services makes the determination, specified in subdivision (b), that losses resulted from the claimant's damages, injury, or disease, only the following losses are compensable pursuant to this article:

(1) One hundred percent of uninsured, out-of-pocket medical expenses, for up to three years from the onset of treatment.

(2) Eighty percent of any uninsured, actual lost wages, or business income in lieu of wages, caused by injury to the claimant or the claimant's property, not to exceed fifteen thousand dollars (\$15,000) per year for three years.

(3) One hundred percent of uninsured, out-of-pocket expenses for remedial action on the claimant's property undertaken to

1 address a release of a hazardous substance when all of the following
2 apply:

3 (A) The claimant's property is an owner-occupied single-family
4 residence.

5 (B) The remedial action was ordered by federal, state, or local
6 authorities due to a release of a hazardous substance.

7 (C) The department makes one of the following determinations:

8 (i) The release of the hazardous substance originated outside
9 the boundaries of the property.

10 (ii) The release of the hazardous substance occurred on the
11 property, was the result of an action which violated state or federal
12 law, and the responsible party cannot be identified or cannot be
13 located, or a judgment against the responsible party cannot be
14 satisfied.

15 The maximum compensation under this paragraph is limited to
16 twenty-five thousand dollars (\$25,000) per residence and to one
17 hundred thousand dollars (\$100,000) for five contiguous residential
18 properties. Any compensation provided shall be reduced by the
19 amount that the remedial action results in a capital improvement
20 to the claimant's residence.

21 (4) One hundred percent of the fair market value of
22 owner-occupied real property that is rendered permanently unfit
23 for occupancy because of the release of a hazardous substance.
24 For purposes of this paragraph, real property is rendered
25 permanently unfit for occupancy only if a state or federal agency
26 requires that it be evacuated for a period of six or more months
27 because of the release of a hazardous substance. The fair market
28 value of the real property shall be determined by an independent
29 appraiser, and shall be considered by the independent appraiser as
30 being equal to the value of the real property prior to the release of
31 the hazardous substance that caused the evacuation of the property.

32 Where compensation is made by the ~~board~~ *Department of General*
33 *Services* pursuant to this paragraph, sole ownership of the real
34 property shall be transferred to the state and any proceeds resulting
35 from the final disposition of the real property shall be deposited

37 appropriation by the Legislature. To be eligible for compensation
38 pursuant to this paragraph, claims for compensation shall be made
39 within 12 months of the date on which the evacuation was ordered.

(5) One hundred percent of the expenses incurred due to the evacuation of a residence ordered by a state or federal agency. For purposes of this paragraph, “evacuation expenses” include the cost of shelter and any other emergency expenditures incurred due to an evacuation ordered by a state or federal agency. The ~~board~~ *Department of General Services* may provide compensation, pursuant to this paragraph, only if it finds that the evacuation expenses represent reasonable costs for the goods or services purchased, and would not have been incurred if an evacuation caused by a hazardous substance release had not occurred. The ~~board~~ *Department of General Services* may provide compensation for these evacuation expenses only if they were incurred within 12 months from the date on which evacuation was ordered.

(b) A loss specified in subdivision (a) is compensable if the ~~board~~ *Department of General Services* makes all of the following findings, based upon a preponderance of the evidence:

(1) A release of a hazardous substance occurred.

(2) The claimant or the claimant’s property was exposed to the release of the hazardous substance.

(3) The exposure of the claimant to the release of the hazardous substance was of such a duration, and to such a quantity of the hazardous substance, that the exposure caused the damages, injury, or disease which resulted in the claimant’s loss.

(4) For purposes of paragraphs (4) and (5) of subdivision (a), the hazardous substance release, or the order which resulted in the claim for compensation occurred on or after January 1, 1986.

(5) The conditions and requirements of this article including, but not limited to, the conditions of Sections 25372 and 25373, have been met.

(c) No money shall be used for the payment of any claim authorized by this chapter, where the claim is the result of long-term exposure to ambient concentrations of air pollutants.

31 appear at the hearing, the ~~board~~ *Department of General Services*
32 may act solely upon the application, the staff report, and other
33 evidence that appears on the record.

34 (g) The ~~board~~ *Department of General Services* may delegate
35 the hearing of applications to hearing examiners.

36 (h) The decision of the ~~board~~ *Department of General Services*
37 shall be in writing and shall be delivered or mailed to the injured
38 person within 30 days of the hearing. Upon the request by the
39 applicant within 30 days of delivery or mailing, the ~~board~~
40 *Department of General Services* may reconsider its decision.

1 (i) Judicial review of a decision shall be under Section 1094.5

21 section, or any right or claim that the person's personal
22 representative, legal guardian, estate, or survivor may have, against
23 any third party who is liable for the personal injuries caused by
24 the AIDS vaccine, and the fund shall be entitled to indemnity from
25 that third party. The fund shall also be entitled to a lien on the
26 judgment, award, or settlement in the amount of any payments
27 made to the injured person.

28 (l) In the event that the injured person, or his or her guardian,
29 personal representative, estate, or survivors, or any of them, bring
30 an action for damages against the person or persons liable for the
31 injury or death giving rise to an award by the ~~board~~ *Department*
32 *of General Services* under this section, notice of institution of legal
33 proceedings and notice of any settlement shall be given to the
34 ~~board~~ *Department of General Services* in Sacramento except in
35 cases where the ~~board~~ *Department of General Services* specifies
36 that notice shall be given to the Attorney General. All notices shall
37 be given by the attorney employed to bring the action for damages
38 or by the injured person, or his or her guardian, personal
39 representative, estate, or survivors, if no attorney is employed.

1 (m) This section is not intended to affect the right of any
2 individual to pursue claims against the fund and lawsuits against
3 manufacturers concurrently, except that the fund shall be entitled
4 to a lien on the judgment, award, or settlement in the amount of
5 any payments made to the injured party by the fund.

6 (n) There is hereby created the AIDS Vaccine Injury
7 Compensation Policy Review Task Force consisting of 14

16 developing an AIDS vaccine. In addition four Members of the
17 Legislature or their designees shall be appointed to the task force,
18 two of which shall be appointed by the Speaker of the Assembly
19 and two of which shall be appointed by the Senate Committee on
20 Rules. The chairperson of the task force shall be appointed by the
21 Governor from the membership of the task force. The task force
22 shall study and make recommendations on the legislative
23 implementation of the fund created by subdivision (a). These
24 recommendations shall at least address the following issues:

25 (1) The process by which victims are to be compensated through
26 the fund.

27 (2) The procedures by which the fund will operate and the
28 governance of the fund.

29 (3) The method by which manufacturers are to pay into the fund
30 and the amount of that payment.

31 (4) The procedural relationship between a potential victim's

39 the department pursuant to Part 5 (commencing with Section
40 109875) of Division 104, in California in an amount to be

determined by the department. The surcharge shall be levied on the sale of each unit of the vaccine sold or delivered, administered, or dispensed in California. The appropriate amount of the surcharge shall be studied by the AIDS Vaccine Injury Compensation Policy Review Task Force, which shall recommend the appropriate amount as part of its report, with the amount of the surcharge not to exceed ten dollars (\$10) per unit of vaccine. Expenditures of the task force shall be made at the discretion of the Director of Finance or the director's designee.

(p) For purposes of this section, claims against the fund are contingent upon the existing resources of the fund as provided in subdivision (o), and in no case shall the state be liable for any claims in excess of the resources in the fund.

SEC. 176. Section 11580.1 of the Insurance Code is amended to read:

11580.1. (a) No policy of automobile liability insurance described in Section 16054 of the Vehicle Code covering liability arising out of the ownership, maintenance, or use of any motor vehicle shall be issued or delivered in this state on or after the effective date of this section unless it contains the provisions set forth in subdivision (b). However, none of the requirements of subdivision (b) shall apply to the insurance afforded under the policy (1) to the extent that the insurance exceeds the limits specified in subdivision (a) of Section 16056 of the Vehicle Code, or (2) if the policy contains an underlying insurance requirement, or provides for a retained limit of self-insurance, equal to or greater than the limits specified in subdivision (a) of Section 16056 of the Vehicle Code.

(b) Every policy of automobile liability insurance to which subdivision (a) applies shall contain all of the following provisions:

(1) Coverage limits not less than the limits specified in subdivision (a) of Section 16056 of the Vehicle Code.

(2) Designation by explicit description of, or appropriate reference to, the motor vehicles or class of motor vehicles to which coverage is specifically granted.

(3) Designation by explicit description of the purposes for which coverage for those motor vehicles is specifically excluded.

(4) Provision affording insurance to the named insured with respect to any owned or leased motor vehicle covered by the policy, and to the same extent that insurance is afforded to the named

1 insured, to any other person using the motor vehicle, provided the
2 use is by the named insured or with his or her permission, express
3 or implied, and within the scope of that permission, except that:
4 (A) with regard to insurance afforded for the loading or unloading
5 of the motor vehicle, the insurance may be limited to apply only
6 to the named insured, a relative of the named insured who is a
7 resident of the named insured's household, a lessee or bailee of
8 the motor vehicle, or an employee of any of those persons; and
9 (B) the insurance afforded to any person other than the named
10 insured need not apply to: (i) any employee with respect to bodily
11 injury sustained by a fellow employee injured in the scope and
12 course of his or her employment, or (ii) any person, or to any agent
13 or employee thereof, employed or otherwise engaged in the
14 business of selling, repairing, servicing, delivering, testing,
15 road-testing, parking, or storing automobiles with respect to any
16 accident arising out of the maintenance or use of a motor vehicle
17 in connection therewith. As used in this chapter, "owned motor
18 vehicle" includes all motor vehicles described and rated in the
19 policy.

20 (c) In addition to any exclusion provided in paragraph (3) of
21 subdivision (b), the insurance afforded by any policy of automobile
22 liability insurance to which subdivision (a) applies, including the
23 insurer's obligation to defend, may, by appropriate policy
24 provision, be made inapplicable to any or all of the following:

25 (1) Liability assumed by the insured under contract.

26 (2) Liability for bodily injury or property damage caused
27 intentionally by or at the direction of the insured.

28 (3) Liability imposed upon or assumed by the insured under
29 any workers' compensation law.

30 (4) Liability for bodily injury to any employee of the insured
31 arising out of and in the course of his or her employment.

32 (5) Liability for bodily injury to an insured or liability for bodily
33 injury to an insured whenever the ultimate benefits of that
34 indemnification accrue directly or indirectly to an insured.

35 (6) Liability for damage to property owned, rented to,
36 transported by, or in the charge of, an insured. A motor vehicle
37 operated by an insured shall be considered to be property in the
38 charge of an insured.

1 (7) Liability for any bodily injury or property damage with
2 respect to which insurance is or can be afforded under a nuclear
3 energy liability policy.

4 (8) Any motor vehicle or class of motor vehicles, as described
5 or designated in the policy, with respect to which coverage is
6 explicitly excluded, in whole or in part.

7 “The insured” as used in paragraphs (1), (2), (3), and (4) shall
8 mean only that insured under the policy against whom the particular
9 claim is made or suit brought. “An insured” as used in paragraphs
10 (5) and (6) shall mean any insured under the policy including those
11 persons who would have otherwise been included within the
12 policy’s definition of an insured but, by agreement, are subject to
13 the limitations of paragraph (1) of subdivision (d).

14 (d) Notwithstanding paragraph (4) of subdivision (b), or Article
15 2 (commencing with Section 16450) of Chapter 3 of Division 7
16 of, or Article 2 (commencing with Section 17150) of Chapter 1 of
17 Division 9 of, the Vehicle Code, the insurer and any named insured
18 may, by the terms of any policy of automobile liability insurance
19 to which subdivision (a) applies, or by a separate writing relating
20 thereto, agree as to either or both of the following limitations, the
21 agreement to be binding upon every insured to whom the policy
22 applies and upon every third-party claimant:

23 (1) That coverage and the insurer’s obligation to defend under
24 the policy shall not apply nor accrue to the benefit of any insured
25 or any third-party claimant while any motor vehicle is being used
26 or operated by a natural person or persons designated by name.
27 These limitations shall apply to any use or operation of a motor
28 vehicle, including the negligent or alleged negligent entrustment
29 of a motor vehicle to that designated person or persons. This
30 agreement applies to all coverage provided by that policy and is
31 sufficient to comply with the requirements of paragraph (2) of
32 subdivision (a) of Section 11580.2 to delete coverage when a motor
33 vehicle is operated by a natural person or persons designated by
34 name. The insurer shall have an obligation to defend the named
35 insured when all of the following apply to that designated natural
36 person:

37 (A) He or she is a resident of the same household as the named
38 insured.

39 (B) As a result of operating the insured motor vehicle of the
40 named insured, he or she is jointly sued with the named insured.

1 (C) He or she is an insured under a separate automobile liability
2 insurance policy issued to him or her as a named insured, which
3 policy does not provide a defense to the named insured.

4 An agreement made by the insurer and any named insured more
5 than 60 days following the inception of the policy excluding a
6 designated person by name shall be effective from the date of the
7 agreement and shall, with the signature of a named insured, be
8 conclusive evidence of the validity of the agreement.

9 That agreement shall remain in force as long as the policy
10 remains in force, and shall apply to any continuation, renewal, or
11 replacement of the policy by the named insured, or reinstatement
12 of the policy within 30 days of any lapse thereof.

13 (2) That with regard to a policy issued to a named insured
14 engaged in the business of leasing vehicles for those vehicles that
15 are leased for a term in excess of six months, or selling, repairing,
16 servicing, delivering, testing, road-testing, parking, or storing
17 automobiles, coverage shall not apply to any person other than the
18 named insured or his or her agent or employee, except to the extent
19 that the limits of liability of any other valid and collectible
20 insurance available to that person are not equal to the limits of
21 liability specified in subdivision (a) of Section 16056 of the Vehicle
22 Code. If the policy is issued to a named insured engaged in the
23 business of leasing vehicles, which business includes the lease of
24 vehicles for a term in excess of six months, and the lessor includes
25 in the lease automobile liability insurance, the terms and limits of
26 which are not otherwise specified in the lease, the named insured
27 shall incorporate a provision in each vehicle lease contract advising
28 the lessee of the provisions of this subdivision and the fact that
29 this limitation is applicable except as otherwise provided for by
30 statute or federal law.

31 (e) Nothing in this section or in Section 16054 or 16450 of the
32 Vehicle Code shall be construed to constitute a homeowner's
33 policy, personal and residence liability policy, personal and farm
34 liability policy, general liability policy, comprehensive personal
35 liability policy, manufacturers' and contractors' policy, premises
36 liability policy, special multiperil policy, or any policy or
37 endorsement where automobile liability coverage is offered as
38 incidental to some other basic coverage as an "automobile liability
39 policy" within the meaning of Section 16054 of the Vehicle Code,
40 or as a "motor vehicle liability policy" within the meaning of

Section 16450 of the Vehicle Code, nor shall this section apply to a policy that provides insurance covering liability arising out of the ownership, maintenance, or use of any motor vehicle in the Republic of Mexico issued or delivered in this state by a nonadmitted Mexican insurer, notwithstanding that the policy may provide automobile or motor vehicle liability coverage on insured premises or the ways immediately adjoining.

(f) (1) On and after January 1, 1976, no policy of automobile liability insurance described in subdivision (a) shall be issued, amended, or renewed in this state if it contains any provision that expressly or impliedly excludes from coverage under the policy the operation or use of an insured motor vehicle by the named insured in the performance of volunteer services for a nonprofit charitable organization or governmental agency by providing social service transportation. This subdivision shall not apply in any case in which the named insured receives any remuneration of any kind other than reimbursement for actual mileage driven in the performance of those services at a rate not to exceed the following:

(A) For the 1980–81 fiscal year, the maximum rate authorized by the California Victim Compensation and Government Claims Board, which *Board* shall also be known as the “base rate.”

(B) For each fiscal year thereafter, the greater of either (A) the maximum rate authorized by the ~~California Victim Compensation and Government Claims Board~~ *Department of General Services* or (B) the base rate as adjusted by the California Consumer Price Index.

(2) No policy of insurance issued under this section may be canceled by an insurer solely for the reason that the named insured is performing volunteer services for a nonprofit charitable organization or governmental agency consisting of providing social service transportation.

(3) For the purposes of this section, “social service transportation” means transportation services provided by private nonprofit organizations or individuals to either individuals who are senior citizens or individuals or groups of individuals who have special transportation needs because of physical or mental conditions and supported in whole or in part by funding from private or public agencies.

(g) Notwithstanding paragraph (4) of subdivision (b), or Article 2 (commencing with Section 16450) of Chapter 3 of Division 7

1 of, or Article 2 (commencing with Section 17150) of Chapter 1 of
2 Division 9 of, the Vehicle Code, a Mexican nonadmitted insurer
3 and any named insured may, by the terms of any policy of
4 automobile insurance for use solely in the Republic of Mexico to
5 which subdivision (a) applies, or by a separate writing relating
6 thereto, agree to the limitation that coverage under that policy shall
7 not apply to any person riding in or occupying a vehicle owned
8 by the insured or driven by another person with the permission of
9 the insured. The agreement shall be binding upon every insured
10 to whom the policy applies and upon any third-party claimant.

11 (h) No policy of automobile insurance that provides insurance
12 covering liability arising out of the ownership, maintenance, or
13 use of any motor vehicle solely in the Republic of Mexico issued
14 by a nonadmitted Mexican insurance company, shall be subject
15 to, or provide coverage for, those coverages provided in Section
16 11580.2.

17 *SEC. 177. Section 11872 of the Insurance Code is amended to*
18 *read:*

20 agencies for service to be rendered to the fund. These state agencies
21 include, but shall not be limited to: the Department of Finance,

23 Public Employees' Retirement System. If these agencies and the

9 1684. (a) The Labor Commissioner shall not issue to any
10 person a license to act as a farm labor contractor, nor shall the

23 12940 of, and Sections 12950 and 12950.1 of, the Government
24 Code, and payment of all damages occasioned to any person by
25 failure to do so, or by any violation of this chapter or of subdivision
26 (j) or (k) of Section 12940 of, or of Section 12950 or 12950.1 of,
27 the Government Code, or any violation of Title VII of the Civil

31 damages arising from violation of orders of the Industrial Welfare
32 Commission, and for any other monetary relief awarded to an

11 Commissioner to have been damaged by any licensee if the damage
12 exceeds the amount of the licensee's bond or the surety fails to
13 pay the full amount of the licensee's bond, or to persons determined
14 by the Labor Commissioner to have been damaged by an

6 is owned, harbored, or controlled by him or her to cause injury to
7 or the death of any guide, signal, or service dog, as defined by
8 Section 54.1 of the Civil Code, while the guide, signal, or service
9 dog is in discharge of its duties.

10 (b) A violation of this section is an infraction punishable by a
11 fine not to exceed two hundred fifty dollars (\$250) if the injury or
12 death to any guide, signal, or service dog is caused by the person's
13 failure to exercise ordinary care in the control of his or her dog.

14 (c) A violation of this section is a misdemeanor if the injury or
15 death to any guide, signal, or service dog is caused by the person's
16 reckless disregard in the exercise of control over his or her dog,
17 under circumstances that constitute such a departure from the
18 conduct of a reasonable person as to be incompatible with a proper
19 regard for the safety and life of any guide, signal, or service dog.
20 A violation of this subdivision shall be punishable by imprisonment
21 in a county jail not exceeding one year, or by a fine of not less
22 than two thousand five hundred dollars (\$2,500) nor more than

SEC. 235. Section 851.8 of the Penal Code is amended to read:

851.8. (a) In any case where a person has been arrested and no accusatory pleading has been filed, the person arrested may petition the law enforcement agency having jurisdiction over the offense to destroy its records of the arrest. A copy of the petition shall be served upon the prosecuting attorney of the county or city having jurisdiction over the offense. The law enforcement agency having jurisdiction over the offense, upon a determination that the person arrested is factually innocent, shall, with the concurrence of the prosecuting attorney, seal its arrest records, and the petition for relief under this section for three years from the date of the arrest and thereafter destroy its arrest records and the petition. The law enforcement agency having jurisdiction over the offense shall notify the Department of Justice, and any law enforcement agency that arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this subdivision, of the sealing of the arrest records and the reason therefor. The Department of Justice and any law enforcement agency so notified shall forthwith seal their records of the arrest and the notice of sealing for three years from the date of the arrest, and thereafter destroy their records of the arrest and the notice of sealing. The law enforcement agency

1 having jurisdiction over the offense and the Department of Justice
2 shall request the destruction of any records of the arrest which they
3 have given to any local, state, or federal agency or to any other
4 person or entity. Each agency, person, or entity within the State
5 of California receiving the request shall destroy its records of the
6 arrest and the request, unless otherwise provided in this section.

7 (b) If, after receipt by both the law enforcement agency and the
8 prosecuting attorney of a petition for relief under subdivision (a),
9 the law enforcement agency and prosecuting attorney do not
10 respond to the petition by accepting or denying the petition within
11 60 days after the running of the relevant statute of limitations or
12 within 60 days after receipt of the petition in cases where the statute
13 of limitations has previously lapsed, then the petition shall be
14 deemed to be denied. In any case where the petition of an arrestee
15 to the law enforcement agency to have an arrest record destroyed
16 is denied, petition may be made to the superior court that would
17 have had territorial jurisdiction over the matter. A copy of the
18 petition shall be served on the law enforcement agency and the
19 prosecuting attorney of the county or city having jurisdiction over
20 the offense at least 10 days prior to the hearing thereon. The
21 prosecuting attorney and the law enforcement agency through the
22 district attorney may present evidence to the court at the hearing.
23 Notwithstanding Section 1538.5 or 1539, any judicial determination
24 of factual innocence made pursuant to this section may be heard
25 and determined upon declarations, affidavits, police reports, or
26 any other evidence submitted by the parties which is material,
27 relevant, and reliable. A finding of factual innocence and an order
28 for the sealing and destruction of records pursuant to this section
29 shall not be made unless the court finds that no reasonable cause
30 exists to believe that the arrestee committed the offense for which
31 the arrest was made. In any court hearing to determine the factual
32 innocence of a party, the initial burden of proof shall rest with the
33 petitioner to show that no reasonable cause exists to believe that
34 the arrestee committed the offense for which the arrest was made.
35 If the court finds that this showing of no reasonable cause has been
36 made by the petitioner, then the burden of proof shall shift to the
37 respondent to show that a reasonable cause exists to believe that
38 the petitioner committed the offense for which the arrest was made.
39 If the court finds the arrestee to be factually innocent of the charges
40 for which the arrest was made, then the court shall order the law

1 enforcement agency having jurisdiction over the offense, the
2 Department of Justice, and any law enforcement agency which
3 arrested the petitioner or participated in the arrest of the petitioner
4 for an offense for which the petitioner has been found factually
5 innocent under this section to seal their records of the arrest and
6 the court order to seal and destroy the records, for three years from
7 the date of the arrest and thereafter to destroy their records of the
8 arrest and the court order to seal and destroy those records. The
9 court shall also order the law enforcement agency having
10 jurisdiction over the offense and the Department of Justice to
11 request the destruction of any records of the arrest which they have
12 given to any local, state, or federal agency, person or entity. Each
13 state or local agency, person or entity within the State of California
14 receiving such a request shall destroy its records of the arrest and
15 the request to destroy the records, unless otherwise provided in
16 this section. The court shall give to the petitioner a copy of any
17 court order concerning the destruction of the arrest records.

18 (c) In any case where a person has been arrested, and an
19 accusatory pleading has been filed, but where no conviction has
20 occurred, the defendant may, at any time after dismissal of the
21 action, petition the court that dismissed the action for a finding
22 that the defendant is factually innocent of the charges for which
23 the arrest was made. A copy of the petition shall be served on the
24 prosecuting attorney of the county or city in which the accusatory
25 pleading was filed at least 10 days prior to the hearing on the
26 petitioner's factual innocence. The prosecuting attorney may
27 present evidence to the court at the hearing. The hearing shall be
28 conducted as provided in subdivision (b). If the court finds the
29 petitioner to be factually innocent of the charges for which the
30 arrest was made, then the court shall grant the relief as provided
31 in subdivision (b).

32 (d) In any case where a person has been arrested and an
33 accusatory pleading has been filed, but where no conviction has
34 occurred, the court may, with the concurrence of the prosecuting
35 attorney, grant the relief provided in subdivision (b) at the time of
36 the dismissal of the accusatory pleading.

37 (e) Whenever any person is acquitted of a charge and it appears
38 to the judge presiding at the trial at which the acquittal occurred
39 that the defendant was factually innocent of the charge, the judge
40 may grant the relief provided in subdivision (b).

(f) In any case where a person who has been arrested is granted relief pursuant to subdivision (a) or (b), the law enforcement agency having jurisdiction over the offense or court shall issue a written declaration to the arrestee stating that it is the determination of the law enforcement agency having jurisdiction over the offense or court that the arrestee is factually innocent of the charges for which the person was arrested and that the arrestee is thereby exonerated. Thereafter, the arrest shall be deemed not to have occurred and the person may answer accordingly any question relating to its occurrence.

(g) The Department of Justice shall furnish forms to be utilized by persons applying for the destruction of their arrest records and for the written declaration that one person was found factually innocent under subdivisions (a) and (b).

(h) Documentation of arrest records destroyed pursuant to subdivision (a), (b), (c), (d), or (e) that are contained in investigative police reports shall bear the notation "Exonerated" whenever reference is made to the arrestee. The arrestee shall be notified in writing by the law enforcement agency having jurisdiction over the offense of the sealing and destruction of the arrest records pursuant to this section.

(i) (1) Any finding that an arrestee is factually innocent pursuant to subdivision (a), (b), (c), (d), or (e) shall not be admissible as evidence in any action.

(2) Notwithstanding paragraph (1), a finding that an arrestee is factually innocent pursuant to subdivisions (a) to (e), inclusive, shall be admissible as evidence at a hearing before the California Victim Compensation and Government Claims Board.

(j) Destruction of records of arrest pursuant to subdivision (a), (b), (c), (d), or (e) shall be accomplished by permanent obliteration of all entries or notations upon the records pertaining to the arrest, and the record shall be prepared again so that it appears that the arrest never occurred. However, where (1) the only entries on the record pertain to the arrest and (2) the record can be destroyed without necessarily affecting the destruction of other records, then the document constituting the record shall be physically destroyed.

(k) No records shall be destroyed pursuant to subdivision (a), (b), (c), (d), or (e) if the arrestee or a codefendant has filed a civil action against the peace officers or law enforcement jurisdiction which made the arrest or instituted the prosecution and if the

1 agency which is the custodian of the records has received a certified
2 copy of the complaint in the civil action, until the civil action has
3 been resolved. Any records sealed pursuant to this section by the
4 court in the civil actions, upon a showing of good cause, may be
5 opened and submitted into evidence. The records shall be
6 confidential and shall be available for inspection only by the court,
7 jury, parties, counsel for the parties, and any other person
8 authorized by the court. Immediately following the final resolution
9 of the civil action, records subject to subdivision (a), (b), (c), (d),
10 or (e) shall be sealed and destroyed pursuant to subdivision (a),
11 (b), (c), (d), or (e).

12 (l) For arrests occurring on or after January 1, 1981, and for
13 accusatory pleadings filed on or after January 1, 1981, petitions
14 for relief under this section may be filed up to two years from the
15 date of the arrest or filing of the accusatory pleading, whichever
16 is later. Until January 1, 1983, petitioners can file for relief under
17 this section for arrests which occurred or accusatory pleadings
18 which were filed up to five years prior to the effective date of the
19 statute. Any time restrictions on filing for relief under this section
20 may be waived upon a showing of good cause by the petitioner
21 and in the absence of prejudice.

22 (m) Any relief which is available to a petitioner under this
23 section for an arrest shall also be available for an arrest which has
24 been deemed to be or described as a detention under Section 849.5
25 or 851.6.

26 (n) This section shall not apply to any offense which is classified
27 as an infraction.

28 (o) (1) This section shall be repealed on the effective date of a
29 final judgment based on a claim under the California or United
30 States Constitution holding that evidence that is relevant, reliable,
31 and material may not be considered for purposes of a judicial
32 determination of factual innocence under this section. For purposes
33 of this subdivision, a judgment by the appellate division of a
34 superior court is a final judgment if it is published and if it is not
35 reviewed on appeal by a court of appeal. A judgment of a court of
36 appeal is a final judgment if it is published and if it is not reviewed
37 by the California Supreme Court.

38 (2) Any decision referred to in this subdivision shall be stayed
39 pending appeal.

1 (3) If not otherwise appealed by a party to the action, any
2 decision referred to in this subdivision which is a judgment by the
3 appellate division of the superior court shall be appealed by the
4 Attorney General.

5 (p) A judgment of the court under subdivision (b), (c), (d), or
6 (e) is subject to the following appeal path:

7 (1) In a felony case, appeal is to the court of appeal.

8 (2) In a misdemeanor case, or in a case in which no accusatory
9 pleading was filed, appeal is to the appellate division of the superior
10 court.

16 for a claim made pursuant to Section 4900. Upon application by
17 the person, the California Victim Compensation and Government
18 Claims Board shall, without a hearing, recommend to the
19 Legislature that an appropriation be made and the claim paid
20 pursuant to Section 4904.

21 (b) If the declaration of factual innocence is granted pursuant
22 to a stipulation of the prosecutor, the duty of the board to, without
23 a hearing, recommend to the Legislature payment of the claim,
24 shall apply.

25 *SEC. 237. Section 987.9 of the Penal Code is amended to read:*

26 987.9. (a) In the trial of a capital case or a case under
27 subdivision (a) of Section 190.05, the indigent defendant, through
28 the defendant's counsel, may request the court for funds for the
29 specific payment of investigators, experts, and others for the
30 preparation or presentation of the defense. The application for
31 funds shall be by affidavit and shall specify that the funds are
32 reasonably necessary for the preparation or presentation of the
33 defense. The fact that an application has been made shall be
34 confidential and the contents of the application shall be
35 confidential. Upon receipt of an application, a judge of the court,
36 other than the trial judge presiding over the case in question, shall
37 rule on the reasonableness of the request and shall disburse an
38 appropriate amount of money to the defendant's attorney. The
39 ruling on the reasonableness of the request shall be made at an in

1 camera hearing. In making the ruling, the court shall be guided by
2 the need to provide a complete and full defense for the defendant.

3 (b) (1) The Controller shall not reimburse any county for costs
4 that exceed ~~California Victim Compensation and Government~~
5 ~~Claims Board~~ *Department of General Services*' standards for travel
6 and per diem expenses. The Controller may reimburse
7 extraordinary costs in unusual cases if the county provides
8 sufficient documentation of the need for those expenditures.

9 (2) At the termination of the proceedings, the attorney shall
10 furnish to the court a complete accounting of all moneys received
11 and disbursed pursuant to this section.

12 (c) The Controller shall adopt regulations pursuant to Chapter
13 3.5 (commencing with Section 11340) of Part 1 of Division 3 of
14 Title 2 of the Government Code, controlling reimbursements under

17 may not be reimbursable pursuant to this section. Notwithstanding
18 the provisions of Chapter 3.5 (commencing with Section 11340)
19 of Part 1 of Division 3 of Title 2 of the Government Code, the
20 Controller shall follow any regulations adopted until final approval
21 by the Office of Administrative Law.

22 (d) The confidentiality provided in this section shall not preclude
23 any court from providing the Attorney General with access to
24 documents protected by this section when the defendant raises an
25 issue on appeal or collateral review where the recorded portion of
26 the record, created pursuant to this section, relates to the issue
27 raised. When the defendant raises that issue, the funding records,
28 or relevant portions thereof, shall be provided to the Attorney
29 General at the Attorney General's request. In this case, the
30 documents shall remain under seal and their use shall be limited
31 solely to the pending proceeding.

20 prosecutor from representing to the court the views of the victim,
21 his or her parent or guardian, the next of kin, or the California
22 Victim Compensation and Government Claims Board.

23 (e) In the event the court permits an audio or video statement
24 or statement stored on a CD-ROM, DVD, or other medium to be

11 convicted of that crime.

12 (2) Upon a person being convicted of a crime in the State of
13 California, the court shall order the defendant to pay a fine in the
14 form of a penalty assessment in accordance with Section 1464.

15 (3) The court, in addition to any other penalty provided or
16 imposed under the law, shall order the defendant to pay both of
17 the following:

18 (A) A restitution fine in accordance with subdivision (b).

19 (B) Restitution to the victim or victims, if any, in accordance
20 with subdivision (f), which shall be enforceable as if the order
21 were a civil judgment.

22 (b) In every case where a person is convicted of a crime, the
23 court shall impose a separate and additional restitution fine, unless
24 it finds compelling and extraordinary reasons for not doing so and
25 states those reasons on the record.

26 (1) The restitution fine shall be set at the discretion of the court
27 and commensurate with the seriousness of the offense. If the person
28 is convicted of a felony, the fine shall not be less than two hundred
29 forty dollars (\$240) starting on January 1, 2012, two hundred eighty
30 dollars (\$280) starting on January 1, 2013, and three hundred

39 the amount of the fine as the product of the minimum fine pursuant
40 to paragraph (1) multiplied by the number of years of imprisonment

1 the defendant is ordered to serve, multiplied by the number of
2 felony counts of which the defendant is convicted.

3 (c) The court shall impose the restitution fine unless it finds
4 compelling and extraordinary reasons for not doing so and states
5 those reasons on the record. A defendant's inability to pay shall
6 not be considered a compelling and extraordinary reason not to
7 impose a restitution fine. Inability to pay may be considered only
8 in increasing the amount of the restitution fine in excess of the
9 minimum fine pursuant to paragraph (1) of subdivision (b). The
10 court may specify that funds confiscated at the time of the
11 defendant's arrest, except for funds confiscated pursuant to Section
12 11469 of the Health and Safety Code, be applied to the restitution
13 fine if the funds are not exempt for spousal or child support or
14 subject to any other legal exemption.

15 (d) In setting the amount of the fine pursuant to subdivision (b)
16 in excess of the minimum fine pursuant to paragraph (1) of
17 subdivision (b), the court shall consider any relevant factors,
18 including, but not limited to, the defendant's inability to pay, the
19 seriousness and gravity of the offense and the circumstances of its
20 commission, any economic gain derived by the defendant as a
21 result of the crime, the extent to which any other person suffered
22 losses as a result of the crime, and the number of victims involved
23 in the crime. Those losses may include pecuniary losses to the
24 victim or his or her dependents as well as intangible losses, such
25 as psychological harm caused by the crime. Consideration of a
26 defendant's inability to pay may include his or her future earning
27 capacity. A defendant shall bear the burden of demonstrating his
28 or her inability to pay. Express findings by the court as to the
29 factors bearing on the amount of the fine shall not be required. A
30 separate hearing for the fine shall not be required.

31 (e) The restitution fine shall not be subject to penalty
32 assessments authorized in Section 1464 or Chapter 12
33 (commencing with Section 76000) of Title 8 of the Government
34 Code, or the state surcharge authorized in Section 1465.7, and
35 shall be deposited in the Restitution Fund in the State Treasury.

36 (f) Except as provided in subdivisions (q) and (r), in every case
37 in which a victim has suffered economic loss as a result of the
38 defendant's conduct, the court shall require that the defendant
39 make restitution to the victim or victims in an amount established
40 by court order, based on the amount of loss claimed by the victim

1 or victims or any other showing to the court. If the amount of loss
2 cannot be ascertained at the time of sentencing, the restitution
3 order shall include a provision that the amount shall be determined
4 at the direction of the court. The court shall order full restitution
5 unless it finds compelling and extraordinary reasons for not doing
6 so and states them on the record. The court may specify that funds
7 confiscated at the time of the defendant's arrest, except for funds
8 confiscated pursuant to Section 11469 of the Health and Safety
9 Code, be applied to the restitution order if the funds are not exempt
10 for spousal or child support or subject to any other legal exemption.

11 (1) The defendant has the right to a hearing before a judge to
12 dispute the determination of the amount of restitution. The court
13 may modify the amount, on its own motion or on the motion of
14 the district attorney, the victim or victims, or the defendant. If a
15 motion is made for modification of a restitution order, the victim
16 shall be notified of that motion at least 10 days prior to the
17 proceeding held to decide the motion. A victim at a restitution
18 hearing or modification hearing described in this paragraph may
19 testify by live, two-way audio and video transmission, if testimony
20 by live, two-way audio and video transmission is available at the
21 court.

22 (2) Determination of the amount of restitution ordered pursuant
23 to this subdivision shall not be affected by the indemnification or
24 subrogation rights of a third party. Restitution ordered pursuant to
25 this subdivision shall be ordered to be deposited to the Restitution
26 Fund to the extent that the victim, as defined in subdivision (k),
27 has received assistance from the California Victim Compensation
28 ~~and Government Claims~~ Board pursuant to Chapter 5 (commencing
29 with Section 13950) of Part 4 of Division 3 of Title 2 of the
30 Government Code.

31 (3) To the extent possible, the restitution order shall be prepared
32 by the sentencing court, shall identify each victim and each loss
33 to which it pertains, and shall be of a dollar amount that is sufficient
34 to fully reimburse the victim or victims for every determined
35 economic loss incurred as the result of the defendant's criminal
36 conduct, including, but not limited to, all of the following:

37 (A) Full or partial payment for the value of stolen or damaged
38 property. The value of stolen or damaged property shall be the
39 replacement cost of like property, or the actual cost of repairing
40 the property when repair is possible.

1 (B) Medical expenses.

2 (C) Mental health counseling expenses.

3 (D) Wages or profits lost due to injury incurred by the victim,
4 and if the victim is a minor, wages or profits lost by the minor's
5 parent, parents, guardian, or guardians, while caring for the injured
6 minor. Lost wages shall include commission income as well as
7 base wages. Commission income shall be established by evidence
8 of commission income during the 12-month period prior to the
9 date of the crime for which restitution is being ordered, unless
10 good cause for a shorter time period is shown.

11 (E) Wages or profits lost by the victim, and if the victim is a
12 minor, wages or profits lost by the minor's parent, parents,
13 guardian, or guardians, due to time spent as a witness or in assisting
14 the police or prosecution. Lost wages shall include commission
15 income as well as base wages. Commission income shall be
16 established by evidence of commission income during the
17 12-month period prior to the date of the crime for which restitution
18 is being ordered, unless good cause for a shorter time period is
19 shown.

20 (F) Noneconomic losses, including, but not limited to,
21 psychological harm, for felony violations of Section 288.

22 (G) Interest, at the rate of 10 percent per annum, that accrues
23 as of the date of sentencing or loss, as determined by the court.

24 (H) Actual and reasonable attorney's fees and other costs of
25 collection accrued by a private entity on behalf of the victim.

26 (I) Expenses incurred by an adult victim in relocating away
27 from the defendant, including, but not limited to, deposits for
28 utilities and telephone service, deposits for rental housing,
29 temporary lodging and food expenses, clothing, and personal items.
30 Expenses incurred pursuant to this section shall be verified by law
31 enforcement to be necessary for the personal safety of the victim
32 or by a mental health treatment provider to be necessary for the
33 emotional well-being of the victim.

34 (J) Expenses to install or increase residential security incurred
35 related to a violent felony, as defined in subdivision (c) of Section
36 667.5, including, but not limited to, a home security device or
37 system, or replacing or increasing the number of locks.

38 (K) Expenses to retrofit a residence or vehicle, or both, to make
39 the residence accessible to or the vehicle operational by the victim,

1 if the victim is permanently disabled, whether the disability is
2 partial or total, as a direct result of the crime.

3 (L) Expenses for a period of time reasonably necessary to make
4 the victim whole, for the costs to monitor the credit report of, and
5 for the costs to repair the credit of, a victim of identity theft, as
6 defined in Section 530.5.

7 (4) (A) If, as a result of the defendant's conduct, the Restitution
8 Fund has provided assistance to or on behalf of a victim or
9 derivative victim pursuant to Chapter 5 (commencing with Section
10 13950) of Part 4 of Division 3 of Title 2 of the Government Code,
11 the amount of assistance provided shall be presumed to be a direct
12 result of the defendant's criminal conduct and shall be included
13 in the amount of the restitution ordered.

14 (B) The amount of assistance provided by the Restitution Fund
15 shall be established by copies of bills submitted to the California
16 Victim Compensation and Government Claims Board reflecting
17 the amount paid by the board and whether the services for which
18 payment was made were for medical or dental expenses, funeral
19 or burial expenses, mental health counseling, wage or support
20 losses, or rehabilitation. Certified copies of these bills provided
21 by the board and redacted to protect the privacy and safety of the
22 victim or any legal privilege, together with a statement made under
23 penalty of perjury by the custodian of records that those bills were
24 submitted to and were paid by the board, shall be sufficient to meet
25 this requirement.

26 (C) If the defendant offers evidence to rebut the presumption
27 established by this paragraph, the court may release additional
28 information contained in the records of the board to the defendant
29 only after reviewing that information in camera and finding that
30 the information is necessary for the defendant to dispute the amount
31 of the restitution order.

32 (5) Except as provided in paragraph (6), in any case in which
33 an order may be entered pursuant to this subdivision, the defendant
34 shall prepare and file a disclosure identifying all assets, income,
35 and liabilities in which the defendant held or controlled a present
36 or future interest as of the date of the defendant's arrest for the
37 crime for which restitution may be ordered. The financial disclosure
38 statements shall be made available to the victim and the board
39 pursuant to Section 1214. The disclosure shall be signed by the
40 defendant upon a form approved or adopted by the Judicial Council

1 for the purpose of facilitating the disclosure. A defendant who
2 willfully states as true a material matter that he or she knows to
3 be false on the disclosure required by this subdivision is guilty of
4 a misdemeanor, unless this conduct is punishable as perjury or
5 another provision of law provides for a greater penalty.

6 (6) A defendant who fails to file the financial disclosure required
7 in paragraph (5), but who has filed a financial affidavit or financial
8 information pursuant to subdivision (c) of Section 987, shall be
9 deemed to have waived the confidentiality of that affidavit or
10 financial information as to a victim in whose favor the order of
11 restitution is entered pursuant to subdivision (f). The affidavit or
12 information shall serve in lieu of the financial disclosure required
13 in paragraph (5), and paragraphs (7) to (10), inclusive, shall not
14 apply.

15 (7) Except as provided in paragraph (6), the defendant shall file
16 the disclosure with the clerk of the court no later than the date set
17 for the defendant's sentencing, unless otherwise directed by the
18 court. The disclosure may be inspected or copied as provided by
19 subdivision (b), (c), or (d) of Section 1203.05.

20 (8) In its discretion, the court may relieve the defendant of the
21 duty under paragraph (7) of filing with the clerk by requiring that
22 the defendant's disclosure be submitted as an attachment to, and
23 be available to, those authorized to receive the following:

24 (A) A report submitted pursuant to subparagraph (C) of
25 paragraph (2) of subdivision (b) of Section 1203 or subdivision
26 (g) of Section 1203.

27 (B) A stipulation submitted pursuant to paragraph (4) of
28 subdivision (b) of Section 1203.

29 (C) A report by the probation officer, or information submitted
30 by the defendant applying for a conditional sentence pursuant to
31 subdivision (d) of Section 1203.

32 (9) The court may consider a defendant's unreasonable failure
33 to make a complete disclosure pursuant to paragraph (5) as any of
34 the following:

35 (A) A circumstance in aggravation of the crime in imposing a
36 term under subdivision (b) of Section 1170.

37 (B) A factor indicating that the interests of justice would not be
38 served by admitting the defendant to probation under Section 1203.

1 (C) A factor indicating that the interests of justice would not be
2 served by conditionally sentencing the defendant under Section
3 1203.

4 (D) A factor indicating that the interests of justice would not
5 be served by imposing less than the maximum fine and sentence
6 fixed by law for the case.

7 (10) A defendant's failure or refusal to make the required
8 disclosure pursuant to paragraph (5) shall not delay entry of an
9 order of restitution or pronouncement of sentence. In appropriate
10 cases, the court may do any of the following:

11 (A) Require the defendant to be examined by the district attorney
12 pursuant to subdivision (h).

13 (B) If sentencing the defendant under Section 1170, provide
14 that the victim shall receive a copy of the portion of the probation
15 report filed pursuant to Section 1203.10 concerning the defendant's
16 employment, occupation, finances, and liabilities.

17 (C) If sentencing the defendant under Section 1203, set a date
18 and place for submission of the disclosure required by paragraph
19 (5) as a condition of probation or suspended sentence.

20 (11) If a defendant has any remaining unpaid balance on a
21 restitution order or fine 120 days prior to his or her scheduled
22 release from probation or 120 days prior to his or her completion
23 of a conditional sentence, the defendant shall prepare and file a
24 new and updated financial disclosure identifying all assets, income,
25 and liabilities in which the defendant holds or controls or has held
26 or controlled a present or future interest during the defendant's
27 period of probation or conditional sentence. The financial
28 disclosure shall be made available to the victim and the board
29 pursuant to Section 1214. The disclosure shall be signed and
30 prepared by the defendant on the same form as described in
31 paragraph (5). A defendant who willfully states as true a material
32 matter that he or she knows to be false on the disclosure required
33 by this subdivision is guilty of a misdemeanor, unless this conduct
34 is punishable as perjury or another provision of law provides for
35 a greater penalty. The financial disclosure required by this
36 paragraph shall be filed with the clerk of the court no later than
37 90 days prior to the defendant's scheduled release from probation
38 or completion of the defendant's conditional sentence.

39 (12) In cases where an employer is convicted of a crime against
40 an employee, a payment to the employee or the employee's

1 dependent that is made by the employer's workers' compensation
2 insurance carrier shall not be used to offset the amount of the
3 restitution order unless the court finds that the defendant
4 substantially met the obligation to pay premiums for that insurance
5 coverage.

6 (g) The court shall order full restitution unless it finds
7 compelling and extraordinary reasons for not doing so and states
8 those reasons on the record. A defendant's inability to pay shall
9 not be considered a compelling and extraordinary reason not to
10 impose a restitution order, nor shall inability to pay be a
11 consideration in determining the amount of a restitution order.

12 (h) The district attorney may request an order of examination
13 pursuant to the procedures specified in Article 2 (commencing
14 with Section 708.110) of Chapter 6 of Division 2 of Title 9 of Part
15 2 of the Code of Civil Procedure, in order to determine the
16 defendant's financial assets for purposes of collecting on the
17 restitution order.

18 (i) A restitution order imposed pursuant to subdivision (f) shall
19 be enforceable as if the order were a civil judgment.

20 (j) The making of a restitution order pursuant to subdivision (f)
21 shall not affect the right of a victim to recovery from the Restitution
22 Fund as otherwise provided by law, except to the extent that
23 restitution is actually collected pursuant to the order. Restitution
24 collected pursuant to this subdivision shall be credited to any other
25 judgments for the same losses obtained against the defendant
26 arising out of the crime for which the defendant was convicted.

27 (k) For purposes of this section, "victim" shall include all of
28 the following:

29 (1) The immediate surviving family of the actual victim.

30 (2) A corporation, business trust, estate, trust, partnership,
31 association, joint venture, government, governmental subdivision,
32 agency, or instrumentality, or any other legal or commercial entity
33 when that entity is a direct victim of a crime.

34 (3) A person who has sustained economic loss as the result of
35 a crime and who satisfies any of the following conditions:

36 (A) At the time of the crime was the parent, grandparent, sibling,
37 spouse, child, or grandchild of the victim.

38 (B) At the time of the crime was living in the household of the
39 victim.

1 (C) At the time of the crime was a person who had previously
2 lived in the household of the victim for a period of not less than
3 two years in a relationship substantially similar to a relationship
4 listed in subparagraph (A).

5 (D) Is another family member of the victim, including, but not
6 limited to, the victim's fiancé or fiancée, and who witnessed the
7 crime.

8 (E) Is the primary caretaker of a minor victim.

9 (4) A person who is eligible to receive assistance from the
10 Restitution Fund pursuant to Chapter 5 (commencing with Section
11 13950) of Part 4 of Division 3 of Title 2 of the Government Code.

12 (5) A governmental entity that is responsible for repairing,
13 replacing, or restoring public or privately owned property that has
14 been defaced with graffiti or other inscribed material, as defined
15 in subdivision (e) of Section 594, and that has sustained an
16 economic loss as the result of a violation of Section 594, 594.3,
17 594.4, 640.5, 640.6, or 640.7.

18 (l) At its discretion, the board of supervisors of a county may
19 impose a fee to cover the actual administrative cost of collecting
20 the restitution fine, not to exceed 10 percent of the amount ordered
21 to be paid, to be added to the restitution fine and included in the
22 order of the court, the proceeds of which shall be deposited in the
23 general fund of the county.

24 (m) In every case in which the defendant is granted probation,
25 the court shall make the payment of restitution fines and orders
26 imposed pursuant to this section a condition of probation. Any
27 portion of a restitution order that remains unsatisfied after a
28 defendant is no longer on probation shall continue to be enforceable
29 by a victim pursuant to Section 1214 until the obligation is
30 satisfied.

31 (n) If the court finds and states on the record compelling and
32 extraordinary reasons why a restitution fine or full restitution order
33 should not be required, the court shall order, as a condition of
34 probation, that the defendant perform specified community service,
35 unless it finds and states on the record compelling and
36 extraordinary reasons not to require community service in addition
37 to the finding that restitution should not be required. Upon
38 revocation of probation, the court shall impose restitution pursuant
39 to this section.

1 (o) The provisions of Section 13963 of the Government Code
2 shall apply to restitution imposed pursuant to this section.

3 (p) The court clerk shall notify the California Victim
4 Compensation and Government Claims Board within 90 days of
5 an order of restitution being imposed if the defendant is ordered
6 to pay restitution to the board due to the victim receiving
7 compensation from the Restitution Fund. Notification shall be
8 accomplished by mailing a copy of the court order to the board,
9 which may be done periodically by bulk mail or email.

10 (q) Upon conviction for a violation of Section 236.1, the court
11 shall, in addition to any other penalty or restitution, order the
12 defendant to pay restitution to the victim in a case in which a victim
13 has suffered economic loss as a result of the defendant's conduct.
14 The court shall require that the defendant make restitution to the
15 victim or victims in an amount established by court order, based
16 on the amount of loss claimed by the victim or victims or another
17 showing to the court. In determining restitution pursuant to this
18 section, the court shall base its order upon the greater of the
19 following: the gross value of the victim's labor or services based
20 upon the comparable value of similar services in the labor market
21 in which the offense occurred, or the value of the victim's labor
22 as guaranteed under California law, or the actual income derived
23 by the defendant from the victim's labor or services or any other
24 appropriate means to provide reparations to the victim.

25 (r) (1) In addition to any other penalty or fine, the court shall
26 order a person who has been convicted of a violation of Section
27 350, 653h, 653s, 653u, 653w, or 653aa that involves a recording
28 or audiovisual work to make restitution to an owner or lawful
29 producer, or trade association acting on behalf of the owner or
30 lawful producer, of a phonograph record, disc, wire, tape, film, or
31 other device or article from which sounds or visual images are
32 derived that suffered economic loss resulting from the violation.
33 The order of restitution shall be based on the aggregate wholesale
34 value of lawfully manufactured and authorized devices or articles
35 from which sounds or visual images are devised corresponding to
36 the number of nonconforming devices or articles involved in the
37 offense, unless a higher value can be proved in the case of (A) an
38 unreleased audio work, or (B) an audiovisual work that, at the time
39 of unauthorized distribution, has not been made available in copies
40 for sale to the general public in the United States on a digital

versatile disc. For purposes of this subdivision, possession of nonconforming devices or articles intended for sale constitutes actual economic loss to an owner or lawful producer in the form of displaced legitimate wholesale purchases. The order of restitution shall also include reasonable costs incurred as a result of an investigation of the violation undertaken by the owner, lawful producer, or trade association acting on behalf of the owner or lawful producer. “Aggregate wholesale value” means the average wholesale value of lawfully manufactured and authorized sound or audiovisual recordings. Proof of the specific wholesale value of each nonconforming device or article is not required.

(2) As used in this subdivision, “audiovisual work” and “recording” shall have the same meaning as in Section 653w.

SEC. 241. Section 1202.41 of the Penal Code is amended to read:

1202.41. (a) (1) Notwithstanding Section 977 or any other law, if a defendant is currently incarcerated in a state prison with two-way audiovideo communication capability, the Department of Corrections, at the request of the California Victim Compensation and Government Claims Board, may collaborate with a court in any county to arrange for a hearing to impose or amend a restitution order, if the victim has received assistance pursuant to Article 5 (commencing with Section 13959) of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government Code, to be conducted by two-way electronic audiovideo communication between the defendant and the courtroom in lieu of the defendant’s physical presence in the courtroom, provided the county has agreed to make the necessary equipment available.

(2) Nothing in this subdivision shall be interpreted to eliminate the authority of the court to issue an order requiring the defendant to be physically present in the courtroom in those cases where the court finds circumstances that require the physical presence of the defendant in the courtroom.

(3) In lieu of the physical presence of the defendant’s counsel at the institution with the defendant, the court and the Department of Corrections shall establish a confidential telephone and facsimile transmission line between the court and the institution for communication between the defendant’s counsel in court and the defendant at the institution. In this case, counsel for the defendant shall not be required to be physically present at the institution

1 during the hearing via electronic audiovideo communication.
2 Nothing in this subdivision shall be construed to prohibit the
3 physical presence of the defense counsel with the defendant at the
4 state prison.

5 (b) If an inmate who is not incarcerated in a state prison with
6 two-way audiovideo communication capability or ward does not
7 waive his or her right to attend a restitution hearing for the
8 amendment of a restitution order, the California Victim
9 Compensation and Government Claims Board shall determine if
10 the cost of holding the hearing is justified. If the board determines
11 that the cost of holding the hearing is not justified, the amendment
12 of the restitution order affecting that inmate or ward shall not be
13 pursued at that time.

14 (c) Nothing in this section shall be construed to prohibit an
15 individual or district attorney's office from independently pursuing
16 the imposition or amendment of a restitution order that may result
17 in a hearing, regardless of whether the victim has received
18 assistance pursuant to Article 1 (commencing with Section 13959)
19 of Chapter 5 of Part 4 of Division 3 of Title 2 of the Government
20 Code.

21 *SEC. 242. Section 1214 of the Penal Code is amended to read:*

22 1214. (a) If the judgment is for a fine, including a restitution
23 fine ordered pursuant to Section 1202.4, 1202.44, or 1202.45, or
24 Section 1203.04 as operative on or before August 2, 1995, or
25 Section 13967 of the Government Code, as operative on or before
26 September 28, 1994, with or without imprisonment, or a diversion
27 restitution fee ordered pursuant to Section 1001.90, the judgment
28 may be enforced in the manner provided for the enforcement of
29 money judgments generally. Any portion of a restitution fine or
30 restitution fee that remains unsatisfied after a defendant is no longer
31 on probation, parole, postrelease community supervision pursuant
32 to Section 3451, or mandatory supervision pursuant to
33 subparagraph (B) of paragraph (5) of subdivision (h) of Section
34 1170, after a term in custody pursuant to subparagraph (A) of
35 paragraph (5) of subdivision (h) of Section 1170, or after
36 completing diversion is enforceable by the California Victim
37 Compensation and Government Claims Board pursuant to this
38 section. Notwithstanding any other provision of law prohibiting
39 disclosure, the state, as defined in Section 900.6 of the Government
40 Code, a local public entity, as defined in Section 900.4 of the

1 Government Code, or any other entity, may provide the California
2 Victim Compensation and Government Claims Board any and all
3 information to assist in the collection of unpaid portions of a
4 restitution fine for terminated probation or parole cases, or of a
5 restitution fee for completed diversion cases. For purposes of the
6 preceding sentence, “state, as defined in Section 900.6 of the
7 Government Code,” and “any other entity” shall not include the
8 Franchise Tax Board. A local collection program may continue to
9 collect restitution fines and restitution orders once a defendant is
10 no longer on probation, postrelease community supervision, or
11 mandatory supervision or after a term in custody pursuant to
12 subparagraph (A) of paragraph (5) of subdivision (h) of Section
13 1170.

14 (b) In any case in which a defendant is ordered to pay restitution,
15 the order to pay restitution (1) is deemed a money judgment if the
16 defendant was informed of his or her right to have a judicial
17 determination of the amount and was provided with a hearing,
18 waived a hearing, or stipulated to the amount of the restitution
19 ordered, and (2) shall be fully enforceable by a victim as if the
20 restitution order were a civil judgment, and enforceable in the same
21 manner as is provided for the enforcement of any other money
22 judgment. Upon the victim’s request, the court shall provide the
23 victim in whose favor the order of restitution is entered with a
24 certified copy of that order and a copy of the defendant’s disclosure
25 pursuant to paragraph (5) of subdivision (f) of Section 1202.4,
26 affidavit or information pursuant to paragraph (6) of subdivision
27 (f) of Section 1202.4, or report pursuant to paragraph (8) of
28 subdivision (f) of Section 1202.4. The court also shall provide this
29 information to the district attorney upon request in connection with
30 an investigation or prosecution involving perjury or the veracity
31 of the information contained within the defendant’s financial
32 disclosure. In addition, upon request, the court shall provide the
33 California Victim Compensation and Government Claims Board
34 with a certified copy of any order imposing a restitution fine or
35 order and a copy of the defendant’s disclosure pursuant to
36 paragraph (5) of subdivision (f) of Section 1202.4, affidavit or
37 information pursuant to paragraph (6) of subdivision (f) of Section
38 1202.4, or report pursuant to paragraph (8) of subdivision (f) of
39 Section 1202.4. A victim shall have access to all resources available
40 under the law to enforce the restitution order, including, but not

1 limited to, access to the defendant's financial records, use of wage
2 garnishment and lien procedures, information regarding the
3 defendant's assets, and the ability to apply for restitution from any
4 fund established for the purpose of compensating victims in civil
5 cases. Any portion of a restitution order that remains unsatisfied

If the restitution payment to a victim is less than twenty-five dollars (\$25), then payment need not be forwarded to that victim until the payment reaches twenty-five dollars (\$25) or when the victim requests payment of the lesser amount.

(2) If a victim cannot be located, the restitution revenues received by the California Victim Compensation and Government Claims Board on behalf of the victim shall be held in trust in the Restitution Fund until the end of the state fiscal year subsequent to the state fiscal year in which the funds were deposited or until the time that the victim has provided current address information, whichever occurs sooner. Amounts remaining in trust at the end of the specified period of time shall revert to the Restitution Fund.

(3) (A) A victim failing to provide a current address within the period of time specified in paragraph (2) may provide documentation to the Department of Corrections and Rehabilitation, which shall verify that moneys were collected on behalf of the victim. Upon receipt of that verified information from the Department of Corrections and Rehabilitation, the California Victim Compensation and Government Claims Board shall transmit the restitution revenues to the victim in accordance with the provisions of subdivision (c) or (h).

(B) A victim failing to provide a current address within the period of time specified in paragraph (2) may provide documentation to the agency designated by the board of supervisors in the county where the prisoner punished by imprisonment in a county jail pursuant to subdivision (h) of Section 1170 is incarcerated, which may verify that moneys were collected on behalf of the victim. Upon receipt of that verified information from the agency, the California Victim Compensation and Government Claims Board shall transmit the restitution revenues to the victim in accordance with the provisions of subdivision (d) or (h).

SEC. 248. Section 2085.6 of the Penal Code is amended to read:

2085.6. (a) When a prisoner who owes a restitution fine, or any portion thereof, is subsequently released from the custody of

1 the Department of Corrections and Rehabilitation or a county jail
2 facility, and is subject to postrelease community supervision under
3 Section 3451 or mandatory supervision under subdivision (h) of
4 Section 1170, he or she shall have a continuing obligation to pay
5 the restitution fine in full. The restitution fine obligation and any
6 portion left unsatisfied upon placement in postrelease community
7 supervision or mandatory supervision is enforceable and may be
8 collected, in a manner to be established by the county board of
9 supervisors, by the department or county agency designated by
10 the board of supervisors in the county where the prisoner is
11 released. If a county elects to collect restitution fines, the
12 department or county agency designated by the county board of
13 supervisors shall transfer the amount collected to the California
14 Victim Compensation and Government Claims Board for deposit
15 in the Restitution Fund in the State Treasury.

16 (b) When a prisoner who owes payment for a restitution order,
17 or any portion thereof, is released from the custody of the
18 Department of Corrections and Rehabilitation or a county jail
19 facility, and is subject to postrelease community supervision under
20 Section 3451 or mandatory supervision under subdivision (h) of
21 Section 1170, he or she shall have a continuing obligation to pay
22 the restitution order in full. The restitution order obligation and
23 any portion left unsatisfied upon placement in postrelease
24 community supervision or mandatory supervision is enforceable
25 and may be collected, in a manner to be established by the county
26 board of supervisors, by the agency designated by the county board
27 of supervisors in the county where the prisoner is released. If the
28 county elects to collect the restitution order, the agency designated
29 by the county board of supervisors for collection shall transfer the
30 collected amount to the California Victim Compensation and
31 Government Claims Board for deposit in the Restitution Fund in
32 the State Treasury or may pay the victim directly. The sentencing
33 court shall be provided a record of payments made to the victim
34 and of the payments deposited into the Restitution Fund.

35 (c) Any portion of a restitution order or restitution fine that
36 remains unsatisfied after an individual is released from postrelease
37 community supervision or mandatory supervision shall continue
38 to be enforceable by a victim pursuant to Section 1214 until the
39 obligation is satisfied.

(d) At its discretion, a county board of supervisors may impose a fee upon the individual subject to postrelease community supervision or mandatory supervision to cover the actual administrative cost of collecting the restitution fine and the restitution order, not to exceed 10 percent of the amount collected, the proceeds of which shall be deposited into the general fund of the county.

(e) If a county elects to collect both a restitution fine and a restitution order, the amount owed on the restitution order shall be collected before the restitution fine.

(f) If a county elects to collect restitution fines and restitution orders pursuant to this section, the county shall coordinate efforts with the Franchise Tax Board pursuant to Section 19280 of the Revenue and Taxation Code.

(g) Pursuant to Section 1214, the county agency selected by a county board of supervisors to collect restitution fines and restitution orders may collect restitution fines and restitution orders after an individual is no longer on postrelease community supervision or mandatory supervision or after a term in custody pursuant to subparagraph (A) of paragraph (5) of subdivision (h) of Section 1170.

(h) For purposes of this section, the following definitions shall apply:

7 4900. Any person who, having been convicted of any crime
8 against the state amounting to a felony and imprisoned in the state
9 prison or incarcerated in county jail pursuant to subdivision (h) of

11 Governor for the reason that the crime with which he or she was
12 charged was either not committed at all or, if committed, was not
13 committed by him or her, or who, being innocent of the crime with
14 which he or she was charged for either of the foregoing reasons,
15 shall have served the term or any part thereof for which he or she
16 was imprisoned in state prison or incarcerated in county jail, may,
17 under the conditions provided under this chapter, present a claim
18 against the state to the California Victim Compensation ~~and~~
19 ~~Government Claims Board~~ for the pecuniary injury sustained by
20 him or her through the erroneous conviction and imprisonment or
21 incarceration.

22 *SEC. 251. Section 4901 of the Penal Code is amended to read:*

23 4901. (a) A claim under Section 4900, accompanied by a
24 statement of the facts constituting the claim, verified in the manner
25 provided for the verification of complaints in civil actions, is
26 required to be presented by the claimant to the California Victim
27 Compensation ~~and Government Claims Board~~ within a period of
28 two years after judgment of acquittal or after pardon granted, or
29 after release from custody, and no claim not so presented shall be
30 considered by the California Victim Compensation ~~and~~
31 ~~Government Claims Board~~.

32 (b) For purposes of subdivision (a), “release from custody”
33 means release from imprisonment from state prison or from

38 period subject to jurisdiction of a community corrections program,
39 when that period ends.

1 (c) A person may not file a claim under Section 4900 until 60
2 days have passed since the date of reversal of conviction or granting
3 of the writ, or while the case is pending upon an initial refiling, or
4 until a complaint or information has been dismissed a single time.

5 *SEC. 252. Section 4902 of the Penal Code is amended to read:*

6 4902. (a) If the provisions of Section 851.865 or 1485.55 apply
7 in any claim, the California Victim Compensation and Government
8 Claims Board shall, within 30 days of the presentation of the claim,
9 calculate the compensation for the claimant pursuant to Section
10 4904 and recommend to the Legislature payment of that sum. As
11 to any claim to which Section 851.865 or 1485.55 does not apply,
12 the Attorney General shall respond to the claim within 60 days or
13 request an extension of time, upon a showing of good cause.

14 (b) Upon receipt of a response from the Attorney General, the
15 board shall fix a time and place for the hearing of the claim, and
16 shall mail notice thereof to the claimant and to the Attorney
17 General at least 15 days prior to the time fixed for the hearing. The
18 board shall use reasonable diligence in setting the date for the
19 hearing and shall attempt to set the date for the hearing at the
20 earliest date convenient for the parties and the board.

21 (c) If the time period for response elapses without a request for
22 extension or a response from the Attorney General pursuant to
23 subdivision (a), the board shall fix a time and place for the hearing
24 of the claim, mail notice thereof to the claimant at least 15 days
25 prior to the time fixed for the hearing, and make a recommendation
26 based on the claimant's verified claim and any evidence presented
27 by him or her.

28 *SEC. 253. Section 4904 of the Penal Code is amended to read:*

29 4904. If the evidence shows that the crime with which the
30 claimant was charged was either not committed at all, or, if
31 committed, was not committed by the claimant, and that the
32 claimant has sustained injury through his or her erroneous
33 conviction and imprisonment, the California Victim Compensation
34 and Government Claims Board shall report the facts of the case
35 and its conclusions to the next Legislature, with a recommendation
36 that the Legislature make an appropriation for the purpose of
37 indemnifying the claimant for the injury. The amount of the
38 appropriation recommended shall be a sum equivalent to one
39 hundred forty dollars (\$140) per day of incarceration served, and
40 shall include any time spent in custody, including in a county jail,

1 that is considered to be part of the term of incarceration. That
2 appropriation shall not be treated as gross income to the recipient
3 under the Revenue and Taxation Code.

4 *SEC. 254. Section 4905 of the Penal Code is amended to read:*

5 4905. The California Victim Compensation and Government
6 Claims Board shall make up its report and recommendation and

11 *SEC. 255. Section 4906 of the Penal Code is amended to read:*

12 4906. The California Victim Compensation and Government
13 Claims Board is hereby authorized to make all needful rules and
14 regulations consistent with the law for the purpose of carrying into

16 *SEC. 256. Section 11163 of the Penal Code is amended to*
17 *read:*

18 11163. (a) The Legislature finds and declares that even though
19 the Legislature has provided for immunity from liability, pursuant
20 to Section 11161.9, for persons required or authorized to report
21 pursuant to this article, that immunity does not eliminate the
22 possibility that actions may be brought against those persons based
23 upon required reports of abuse pursuant to other laws.

24 In order to further limit the financial hardship that those persons
25 may incur as a result of fulfilling their legal responsibility, it is
26 necessary that they not be unfairly burdened by legal fees incurred
27 in defending those actions.

28 (b) (1) Therefore, a health practitioner may present a claim to
29 the ~~California Victim Compensation and Government Claims~~
30 ~~Board~~ *Department of General Services* for reasonable attorney's
31 fees incurred in any action against that person on the basis of that
32 person reporting in accordance with this article if the court
33 dismisses the action upon a demurrer or motion for summary
34 judgment made by that person or if that person prevails in the
35 action.

36 (2) The ~~California Victim Compensation and Government~~
37 ~~Claims Board~~ *Department of General Services* shall allow the
38 claim pursuant to paragraph (1) if the requirements of paragraph
39 (1) are met, and the claim shall be paid from an appropriation to
40 be made for that purpose. Attorney's fees awarded pursuant to this

1 section shall not exceed an hourly rate greater than the rate charged
2 by the Attorney General at the time the award is made and shall
3 not exceed an aggregate amount of fifty thousand dollars (\$50,000).

4 (3) This subdivision shall not apply if a public entity has
5 provided for the defense of the action pursuant to Section 995 of
6 the Government Code.

7 *SEC. 257. Section 11172 of the Penal Code is amended to*
8 *read:*

9 11172. (a) No mandated reporter shall be civilly or criminally
10 liable for any report required or authorized by this article, and this
11 immunity shall apply even if the mandated reporter acquired the
12 knowledge or reasonable suspicion of child abuse or neglect outside
13 of his or her professional capacity or outside the scope of his or
14 her employment. Any other person reporting a known or suspected
15 instance of child abuse or neglect shall not incur civil or criminal
16 liability as a result of any report authorized by this article unless
17 it can be proven that a false report was made and the person knew
18 that the report was false or was made with reckless disregard of
19 the truth or falsity of the report, and any person who makes a report
20 of child abuse or neglect known to be false or with reckless
21 disregard of the truth or falsity of the report is liable for any
22 damages caused. No person required to make a report pursuant to
23 this article, nor any person taking photographs at his or her
24 direction, shall incur any civil or criminal liability for taking
25 photographs of a suspected victim of child abuse or neglect, or
26 causing photographs to be taken of a suspected victim of child
27 abuse or neglect, without parental consent, or for disseminating
28 the photographs, images, or material with the reports required by
29 this article. However, this section shall not be construed to grant
30 immunity from this liability with respect to any other use of the
31 photographs.

32 (b) Any person, who, pursuant to a request from a government
33 agency investigating a report of suspected child abuse or neglect,
34 provides the requesting agency with access to the victim of a
35 known or suspected instance of child abuse or neglect shall not
36 incur civil or criminal liability as a result of providing that access.

37 (c) Any commercial computer technician, and any employer of
38 any commercial computer technician, who, pursuant to a warrant
39 from a law enforcement agency investigating a report of suspected
40 child abuse or neglect, provides the law enforcement agency with

1 a computer or computer component which contains possible
2 evidence of a known or suspected instance of child abuse or
3 neglect, shall not incur civil or criminal liability as a result of
4 providing that computer or computer component to the law
5 enforcement agency.

6 (d) (1) The Legislature finds that even though it has provided
7 immunity from liability to persons required or authorized to make
8 reports pursuant to this article, that immunity does not eliminate
9 the possibility that actions may be brought against those persons
10 based upon required or authorized reports. In order to further limit
11 the financial hardship that those persons may incur as a result of
12 fulfilling their legal responsibilities, it is necessary that they not
13 be unfairly burdened by legal fees incurred in defending those
14 actions. Therefore, a mandated reporter may present a claim to the
15 ~~California Victim Compensation and Government Claims Board~~
16 *Department of General Services* for reasonable attorney's fees and
17 costs incurred in any action against that person on the basis of
18 making a report required or authorized by this article if the court
19 has dismissed the action upon a demurrer or motion for summary
20 judgment made by that person, or if he or she prevails in the action.
21 ~~The California Victim Compensation and Government Claims~~
22 ~~Board~~ *Department of General Services* shall allow that claim if
23 the requirements of this subdivision are met, and the claim shall
24 be paid from an appropriation to be made for that purpose.
25 Attorney's fees awarded pursuant to this section shall not exceed
26 an hourly rate greater than the rate charged by the Attorney General
27 of the State of California at the time the award is made and shall
28 not exceed an aggregate amount of fifty thousand dollars (\$50,000).

29 (2) This subdivision shall not apply if a public entity has
30 provided for the defense of the action pursuant to Section 995 of
31 the Government Code.

32 (e) A court may award attorney's fees and costs to a commercial
33 film and photographic print processor when a suit is brought against
34 the processor because of a disclosure mandated by this article and
35 the court finds this suit to be frivolous.

36 *SEC. 258. Section 13835.2 of the Penal Code is amended to*
37 *read:*

39 Assistance Fund shall be made available through the Office of
40 Emergency Services to any public or private nonprofit agency for

1 the assistance of victims and witnesses that meets all of the
2 following requirements:

3 (1) It provides comprehensive services to victims and witnesses
4 of all types of crime. It is the intent of the Legislature to make
5 funds available only to programs that do not restrict services to
6 victims and witnesses of a particular type of crime, and do not
7 restrict services to victims of crime in which there is a suspect in
8 the case.

9 (2) It is recognized by the board of supervisors as the major
10 provider of comprehensive services to victims and witnesses in
11 the county.

12 (3) It is selected by the board of supervisors as the agency to
13 receive funds pursuant to this article.

14 (4) It assists victims of crime in the preparation, verification,

18 of Division 3 of Title 2 of the Government Code.

19 (5) It cooperates with the California Victim Compensation and
20 Government Claims Board in verifying the data required by Article
21 1 (commencing with Section 13959) of Part 4 of Division 3 of
22 Title 2 of the Government Code.

23 (b) The Office of Emergency Services shall consider the
24 following factors, together with any other circumstances it deems
25 appropriate, in awarding funds to public or private nonprofit
26 agencies designated as victim and witness assistance centers:

27 (1) The capability of the agency to provide comprehensive
28 services as defined in this article.

29 (2) The stated goals and objectives of the center.

30 (3) The number of people to be served and the needs of the
31 community.

32 (4) Evidence of community support.

33 (5) The organizational structure of the agency that will operate
34 the center.

35 (6) The capability of the agency to provide confidentiality of
36 records.

37 *SEC. 259. Section 14030 of the Penal Code is amended to*

3 14024. The liaison shall coordinate all requests for federal
4 assistance relating to witness protection as established by this title.

5 (b) The Attorney General shall pursue all federal sources that
6 may be available for implementing this program. For that purpose,
7 the Attorney General shall establish a liaison with the United States
8 Department of Justice.

9 (c) The Attorney General, with the California Victim
10 Compensation ~~and Government Claims~~ Board, shall establish
11 procedures to maximize federal funds for witness protection

15 be confined in a prison or facility under the jurisdiction of the
16 Department of Corrections and Rehabilitation, or its Division of
17 Juvenile Facilities, or confined in any county or city jail, road
18 camp, industrial farm, or other local correctional facility.

19 (b) The estate attorney, or if there is no estate attorney, the
20 beneficiary, the personal representative, or the person in possession
21 of property of the decedent shall give the Director of the California
22 Victim Compensation ~~and Government Claims~~ Board notice of a
23 decedent’s death not later than 90 days after the date of death in
24 either of the following circumstances:

25 (1) The deceased person has an heir or beneficiary who is
26 confined.

39 (3) A copy of the decedent’s death certificate.

1 (4) The probate case number, and the name of the superior court
2 hearing the case.

3 (d) Nothing in this section shall be interpreted as requiring the
4 estate attorney, the beneficiary, the personal representative, or the
5 person in possession of property of the decedent to conduct an
6 additional investigation to determine whether a decedent has an
7 heir or beneficiary who has been confined in a prison or facility
8 under the jurisdiction of the Department of Corrections and
9 Rehabilitation, or its Division of Juvenile Facilities, or confined
10 in any county or city jail, road camp, industrial farm, or other local
11 correctional facility.

12 *SEC. 261. Section 9202 of the Probate Code is amended to*
13 *read:*

14 9202. (a) Not later than 90 days after the date letters are first
15 issued to a general personal representative, the general personal
16 representative or estate attorney shall give the Director of Health

18 in Section 215 if the general personal representative knows or has
19 reason to believe that the decedent received health care under

3 (2) The provisions of this subdivision shall apply to estates for

5 (d) Nothing in this section shall be interpreted as requiring the
6 estate attorney, the beneficiary, the personal representative, or the
7 person in possession of property of the decedent to conduct an
8 additional investigation to determine whether a decedent has an
9 heir or beneficiary who has been confined in a prison or facility

38 on the ground that he or she is the lowest responsible bidder
39 meeting specifications, the contract or purchase order shall not be

23 may request a hearing before the ~~State Board of Control~~ department
24 and the ~~board~~ department shall determine which goods will best
25 serve the interests of the state, whereupon the department shall
26 issue a contract for the goods specified by the ~~State Board of~~

28 *SEC. 265. Section 10311 of the Public Contract Code is*
29 *amended to read:*

30 10311. (a) An estimate or requisition approved by the state
31 agency in control of the appropriation or fund against which an
32 acquisition is to be charged, is full authority for any contract for
33 goods of the quality specified by the agency or determined by the
34 ~~State Board of Control~~ department as provided in this article made
35 pursuant thereto by the department.

36 (b) The department shall issue a call for bids within 30 days
37 after receiving a requisition for any goods that are regularly
38 acquired within this state. The period of closing time designated
39 in the invitations for bids shall be exclusive of holidays and shall
40 be extended to the next working day after a holiday.

1 (c) Except as provided in subdivision (d), after the closing date
2 for receiving any bids within or without this state, the contract
3 shall be awarded or the bids shall be rejected within 45 days unless
4 a protest is filed as provided in Section 10306.

5 (d) After the 45-day time period prescribed by subdivision (c),
6 the department may in its sound discretion either award the contract
7 to the lowest responsible bidder meeting specifications who
8 remains willing to accept the award or else reject all bids.

9 (e) The amendments made to this section at the 1987–88 Regular
10 Session of the Legislature do not constitute a change in, but are
11 declaratory of, existing law.

12 *SEC. 266. Section 10326.2 of the Public Contract Code is*
13 *amended to read:*

14 10326.2. (a) As used in this section, “best value procurement”
15 means a contract award determined by objective criteria related
16 to price, features, functions, and life-cycle costs that may include
17 the following:

18 (1) Total cost of ownership, including warranty, under which
19 all repair costs are borne solely by the warranty provider, repair
20 costs, maintenance costs, fuel consumption, and salvage value.

21 (2) Product performance, productivity, and safety standards.

22 (3) The supplier’s ability to perform to the contract requirements.

23 (4) Environmental benefits, including reduction of greenhouse
24 gas emissions, reduction of air pollutant emissions, or reduction
25 of toxic or hazardous materials.

26 (b) The department may purchase and equip heavy mobile fleet
27 vehicles and special equipment for use by the Department of
28 Transportation by means of best value procurement, using
29 specifications and criteria developed in consultation with the
30 Department of Transportation.

31 (c) In addition to disclosure of the minimum requirements for
32 qualification, the solicitation document shall specify what business
33 performance measures in addition to price shall be given a weighted
34 value. The department shall use a scoring method based on those
35 factors and price in determining the successful bid. Any evaluation
36 and scoring method shall ensure substantial weight is given to the
37 contract price. The solicitation document shall provide for
38 submission of sealed price information. Evaluation of all criteria
39 other than price shall be completed before the opening of price
40 information.

(d) Upon written request of any bidder who has submitted a bid, notice of the proposed award shall be posted in a public place in the offices of the department at least 24 hours before awarding the contract or purchase order. If, before making an award, any bidder who has submitted a bid files a protest with the department against the awarding of the contract or purchase order on the ground that his or her bid should have been selected in accordance with the selection criteria in the solicitation document, the contract or purchase order shall not be awarded until either the protest has been withdrawn or the ~~California Victim Compensation and Government Claims Board~~ department has made a final decision as to the action to be taken relative to the protest. Within 10 days after filing a protest, the protesting bidder shall file with the ~~California Victim Compensation and Government Claims Board~~ department a full and complete written statement specifying in detail the ground of the protest and the facts in support thereof.

(e) The total value of vehicles and equipment purchased through best value procurement pursuant to this section shall be limited to twenty million dollars (\$20,000,000) annually.

(f) On or before June 1, 2020, the Department of General Services shall prepare an evaluation of the best value procurement pilot authorized by this section, including a recommendation on whether or not the process should be continued. The evaluation shall be posted on the Department of Transportation's Internet Web site on or before June 30, 2020.

(g) This section shall remain in effect only until January 1, 2021, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2021, deletes or extends that date.

SEC. 267. Section 12102.2 of the Public Contract Code is amended to read:

12102.2. (a) Contract awards for all large-scale systems integration projects shall be based on the proposal that provides the most value-effective solution to the state's requirements, as determined by the evaluation criteria contained in the solicitation document. Evaluation criteria for the acquisition of information technology goods and services, including systems integration, shall provide for the selection of a contractor on an objective basis not limited to cost alone.

(1) The Department of Technology shall invite active participation, review, advice, comment, and assistance from the

1 private sector and state agencies in developing procedures to
2 streamline and to make the acquisition process more efficient,
3 including, but not limited to, consideration of comprehensive
4 statements in the request for proposals of the business needs and
5 governmental functions, access to studies, planning documents,
6 feasibility study reports and draft requests for proposals applicable
7 to solicitations, minimizing the time and cost of the proposal
8 submittal and selection process, and development of a procedure
9 for submission and evaluation of a single proposal rather than
10 multiple proposals.

11 (2) Solicitations for acquisitions based on evaluation criteria
12 other than cost alone shall provide that sealed cost proposals shall
13 be submitted and that they shall be opened at a time and place
14 designated in the solicitation for bids and proposals. Evaluation
15 of all criteria, other than cost, shall be completed prior to the time
16 designated for public opening of cost proposals, and the results of
17 the completed evaluation shall be published immediately before
18 the opening of cost proposals. The state's contact person for
19 administration of the solicitation shall be identified in the
20 solicitation for bids and proposals, and that person shall execute
21 a certificate under penalty of perjury, which shall be made a
22 permanent part of the official contract file, that all cost proposals
23 received by the state have been maintained sealed and under lock
24 and key until the time cost proposals are opened.

25 (b) The acquisition of hardware acquired independently of a
26 system integration project may be made on the basis of lowest cost
27 meeting all other specifications.

28 (c) The 5 percent small business preference provided for in
29 Chapter 6.5 (commencing with Section 14835) of Part 5.5 of
30 Division 3 of Title 2 of the Government Code and the regulations
31 implementing that chapter shall be accorded to all qualifying small
32 businesses.

33 (d) For all transactions formally advertised, evaluation of
34 bidders' proposals for the purpose of determining contract award
35 for information technology goods shall provide for consideration
36 of a bidder's best financing alternatives, including lease or purchase
37 alternatives, if any bidder so requests, not less than 30 days prior
38 to the date of final bid submission, unless the acquiring agency
39 can prove to the satisfaction of the Department of General Services
40 that a particular financing alternative should not be so considered.

1 (e) Acquisition authority may be delegated by the Director of
2 General Services to any state agency that has been determined by
3 the Department of General Services to be capable of effective use
4 of that authority. This authority may be limited by the Department
5 of General Services. Acquisitions conducted under delegated
6 authority shall be reviewed by the Department of General Services
7 on a selective basis.

8 (f) To the extent practical, the solicitation documents shall
9 provide for a contract to be written to enable acquisition of
10 additional items to avoid essentially redundant acquisition
11 processes when it can be determined that it is economical to do
12 so.

13 (g) Protest procedures shall be developed to provide bidders an
14 opportunity to protest any formal, competitive acquisition
15 conducted in accordance with this chapter. The procedures shall
16 provide that protests must be filed no later than five working days
17 after the issuance of an intent to award. Authority to protest may
18 be limited to participating bidders. The Director of Technology,
19 or a person designated by the director, may consider and decide
20 on initial protests of bids for information technology projects
21 conducted by the Department of Technology and
22 telecommunications procurement made pursuant to Section 12120.
23 The Director of the Department of General Services, or a person
24 designated by the director, may consider and decide on initial
25 protests of all other information technology acquisitions. A decision
26 regarding an initial protest shall be final. If prior to the last day to
27 protest, any bidder who has submitted an offer files a protest with
28 the department against the awarding of the contract on the ground
29 that his or her bid or proposal should have been selected in
30 accordance with the selection criteria in the solicitation document,
31 the contract shall not be awarded until either the protest has been
32 withdrawn or the ~~California Victim Compensation and Government~~
33 ~~Claims Board~~ *Department of General Services* has made a final
34 decision as to the action to be taken relating to the protest. Within
35 10 calendar days after filing a protest, the protesting bidder shall
36 file with the ~~Victim Compensation and Government Claims Board~~
37 *Department of General Services* a full and complete written
38 statement specifying in detail the grounds of the protest and the
39 facts in support thereof.

(h) Consistent with the procedures established and administered by the Department of General Services, information technology goods that have been determined to be surplus to state needs shall be disposed of in a manner that will best serve the interests of the state. Procedures governing the disposal of surplus goods may include auction or transfer to local governmental entities.

(i) A supplier may be excluded from bid processes if the supplier's performance with respect to a previously awarded contract has been unsatisfactory, as determined by the state in accordance with established procedures that shall be maintained in the State Administrative Manual. This exclusion may not exceed 36 months for any one determination of unsatisfactory performance. Any supplier excluded in accordance with this section shall be reinstated as a qualified supplier at any time during this 36-month period, upon demonstrating to the Department of General Services' satisfaction that the problems that resulted in the supplier's exclusion have been corrected.

SEC. 268. Section 4116 of the Public Resources Code is amended to read:

4116. Any claim for damages arising against the state under Section 4114 or 4115 shall be presented to the ~~California Victim Compensation and Government Claims Board~~ *Department of General Services* in accordance with Part 3 (commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government Code and, if not covered by insurance, shall be payable only out of funds appropriated by the Legislature for that purpose. If the state has elected to acquire liability insurance, the ~~California Victim Compensation and Government Claims Board~~ *Department of General Services* may automatically deny this claim.

SEC. 269. Section 4602.6 of the Public Resources Code is amended to read:

4602.6. (a) If a timber operator believes that a forest officer lacked reasonable cause to issue or extend a stop order pursuant to Section 4602.5, the timber operator may present a claim to the ~~California Victim Compensation and Government Claims Board~~ *Department of General Services* pursuant to Part 3 (commencing with Section 900) of Division 3.6 of Title 1 of the Government Code for compensation and damages resulting from the stopping of timber operations.

(b) If the ~~board~~ *Department of General Services* finds that the forest officer lacked reasonable cause to issue or extend the stop order, the ~~board~~ *department* shall award a sum of not less than one hundred dollars (\$100) nor more than one thousand dollars (\$1,000) per day for each day the order was in effect.

SEC. 270. *Section 5093.68 of the Public Resources Code is amended to read:*

5093.68. (a) Within the boundaries of special treatment areas adjacent to wild, scenic, or recreational river segments, all of the following provisions shall apply, in addition to any other applicable provision under this chapter or generally, whether by statute or regulation:

(1) A timber operator, whether licensed or not, is responsible for the actions of his or her employees. The registered professional forester who prepares and signs a timber harvesting plan, a timber management plan, or a notice of timber operations is responsible for its contents, but is not responsible for the implementation or execution of the plan or notice unless employed for that purpose.

(2) A registered professional forester preparing a timber harvesting plan shall certify that he or she or a qualified representative has personally inspected the plan area on the ground.

(b) In order to temporarily suspend timber operations that are being conducted within special treatment areas adjacent to wild, scenic, or recreational rivers designated pursuant to Section 5093.54, while judicial remedies are pursued pursuant to this section, an inspecting forest officer of the Department of Forestry and Fire Protection may issue a written timber operations stop order if, upon reasonable cause, the officer determines that a timber operation is being conducted, or is about to be conducted, in violation of Chapter 8 (commencing with Section 4511) of Part 2 of Division 4, or of rules and regulations adopted pursuant to those provisions, and that the violation or threatened violation would result in imminent and substantial damage to soil, water, or timber resources or to fish and wildlife habitat. A stop order shall apply only to those acts or omissions that are the proximate cause of the violation or that are reasonably foreseen would be the proximate cause of a violation. The stop order shall be effective immediately and throughout the next day.

(c) A supervising forest officer may, after an onsite investigation, extend a stop order issued pursuant to subdivision

1 (b) for up to five days, excluding Saturday and Sunday, if the forest
2 officer finds that the original stop order was issued upon reasonable
3 cause. A stop order shall not be issued or extended for the same
4 act or omission more than one time.

5 (d) Each stop order shall identify the specific act or omission
6 that constitutes a violation or that, if foreseen, would constitute a
7 violation, the specific timber operation that is to be stopped, and
8 any corrective or mitigative actions that may be required.

9 (e) The Department of Forestry and Fire Protection may
10 terminate the stop order if the timber operator enters into a written
11 agreement with the department assuring that the timber operator
12 will resume operations in compliance with the provisions of
13 Chapter 8 (commencing with Section 4511) of Part 2 of Division
14 4, and with the rules and regulations adopted pursuant to those
15 provisions, and will correct any violation. The department may
16 require a reasonable cash deposit or bond payable to the department
17 as a condition of compliance with the agreement.

18 (f) Notice of the issuance of a stop order or an extension of a
19 stop order shall be deemed to have been made to all persons
20 working on the timber operation when a copy of the written order
21 is delivered to the person in charge of operations at the time that
22 the order is issued or, if no persons are present at that time, by
23 posting a copy of the order conspicuously on the yarder or log
24 loading equipment at a currently active landing on the timber
25 operations site. If no person is present at the site when the order
26 is issued, the issuing forest officer shall deliver a copy of the order
27 to the timber operator either in person or to the operator's address
28 of record prior to the commencement of the next working day.

29 (g) As used in this section, "forest officer" means a registered
30 professional forester employed by the Department of Forestry and
31 Fire Protection in a civil service classification of forester II or
32 higher grade.

33 (h) (1) Failure of the timber operator or an employee of the
34 timber operator, after receiving notice pursuant to this section, to
35 comply with a validly issued stop order is a violation of this section
36 and is a misdemeanor punishable by a fine of not less than five
37 hundred dollars (\$500), or by imprisonment for not more than one
38 year in the county jail, or both. The person shall also be subject to
39 civil damages to the state not to exceed ten thousand dollars
40 (\$10,000) for each misdemeanor violation. However, in all cases,

1 the timber operator, and not an employee of the operator or any
2 other person, shall be charged with that violation. Each day or
3 portion thereof that the violation continues shall constitute a new
4 and separate offense.

5 (2) In determining the penalty for a timber operator guilty of
6 violating a validly issued stop order, the court shall take into
7 consideration all relevant circumstances, including, but not limited
8 to, the following:

9 (A) The extent of harm to soil, water, or timber resources or to
10 fish and wildlife habitat.

11 (B) Corrective action, if any, taken by the defendant.

12 (i) Nothing in this section prevents a timber operator from
13 seeking an alternative writ as prescribed in Chapter 2 (commencing
14 with Section 1084) of Title 1 of Part 3 of the Code of Civil
15 Procedure, or as provided by any other provision of law.

16 (j) (1) If a timber operator believes that a forest officer lacked
17 reasonable cause to issue or extend a stop order pursuant to this
18 section, the timber operator may present a claim to the ~~Victim~~
19 ~~Compensation and Government Claims Board~~ *Department of*
20 *General Services* pursuant to Part 3 (commencing with Section
21 900) of Division 3.6 of Title 1 of the Government Code for
22 compensation and damages resulting from the stopping of timber
23 operations.

24 (2) If the ~~Victim Compensation and Government Claims Board~~
25 *Department of General Services* finds that the forest officer lacked
26 reasonable cause to issue or extend the stop order, the board shall
27 award a sum of not less than one hundred dollars (\$100), nor more
28 than one thousand dollars (\$1,000), per day for each day the order
29 was in effect.

30 *SEC. 271. Chapter 6.7 (commencing with Section 21189.50)*
31 *is added to Division 13 of the Public Resources Code, to read:*

3 (e) Within seven business days after the receipt of any comment
4 that is not in an electronic format, the lead agency shall convert
5 that comment into a readily accessible electronic format and make
6 it available to the public in that format.

7 (f) The lead agency shall indicate in the record of the
8 proceedings comments received that were not considered by the
9 lead agency pursuant to subdivision (d) of Section 21189.55 and
10 need not include the content of the comments as a part of the
11 record.

12 (g) Within five days after the filing of the notice required by
13 subdivision (a) of Section 21152, the lead agency shall certify the
14 record of the proceedings for the approval or determination and
15 shall provide an electronic copy of the record to a party that has
16 submitted a written request for a copy. The lead agency may charge
17 and collect a reasonable fee from a party requesting a copy of the
18 record for the electronic copy, which shall not exceed the
19 reasonable cost of reproducing that copy.

20 (h) Within 10 days after being served with a complaint or a
21 petition for a writ of mandate, the lead agency shall lodge a copy
22 of the certified record of proceedings with the superior court.

23 (i) Any dispute over the content of the record of the proceedings
24 shall be resolved by the superior court. Unless the superior court
25 directs otherwise, a party disputing the content of the record shall
26 file a motion to augment the record at the time it files its initial
27 brief.

28 (j) The contents of the record of proceedings shall be as set
29 forth in subdivision (e) of Section 21167.6.

30 21189.53. (a) In granting relief in an action or proceeding
31 brought pursuant to this chapter, the court shall not enjoin the
32 capitol building annex project unless the court finds either of the
33 following:

34 (1) The continuation of the capitol building annex project
35 presents an imminent threat to the public health and safety.

36 (2) The capitol building annex project site contains unforeseen
37 important Native American artifacts or unforeseen important
38 historical, archaeological, or ecological values that would be
39 materially, permanently, and adversely affected by the continuation

1 of the capitol building annex project unless the court stays or
2 enjoins the capitol building annex project.

3 (b) If the court finds that either paragraph (1) or (2) of
4 subdivision (a) is satisfied, the court shall only enjoin those specific
5 activities associated with the capitol building annex project that
6 present an imminent threat to public health and safety or that
7 materially, permanently, and adversely affect unforeseen important
8 Native American artifacts or unforeseen important historical,
9 archaeological, or ecological values.

10 21189.54. (a) The draft and final environmental impact report
11 shall include a notice in not less than 12-point type stating the
12 following:

13 THIS EIR IS SUBJECT TO CHAPTER 6.7 (COMMENCING
14 WITH SECTION 21189.50) OF DIVISION 13 OF THE PUBLIC

16 THINGS, THAT THE LEAD AGENCY NEED NOT CONSIDER
17 CERTAIN COMMENTS FILED AFTER THE CLOSE OF THE
18 PUBLIC COMMENT PERIOD FOR THE DRAFT EIR. ANY
19 JUDICIAL ACTION CHALLENGING THE CERTIFICATION OF
20 THE EIR OR THE APPROVAL OF THE PROJECT DESCRIBED
21 IN THE EIR IS SUBJECT TO THE PROCEDURES SET FORTH
22 IN SECTIONS 21189.51 TO 21189.53, INCLUSIVE, OF THE

31 environmental impact report, the lead agency shall conduct an
32 informational workshop to inform the public of the key analyses
33 and conclusions of that report.

34 (b) Within 10 days before the close of the public comment
35 period, the lead agency shall hold a public hearing to receive

4 *not have been reasonably known during the public comment period.*

5 *21189.56. The provisions of this chapter are severable. If any*

(A) The name of each taxpayer allocated a credit pursuant to this section.

(B) The estimated amount of the investment by each taxpayer.

(C) The estimated number of jobs created or retained.

(D) The amount of the credit allocated to the taxpayer.

(E) The amount of the credit recaptured from the taxpayer, if applicable.

(7) *When determining whether to enter into a written agreement with a taxpayer pursuant to this section, GO-Biz may consider other factors, including, but not limited to, the following:*

(A) The financial solvency of the taxpayer and the taxpayer’s ability to finance its proposed expansion.

(B) The taxpayer’s current and prior compliance with federal and state laws.

(E) Any other factors GO-Biz deems necessary to ensure that the administration of the credit allowed pursuant to this section is a model of accountability and transparency and that the effective use of the limited amount of credit available is maximized.

1 (d) For purposes of this section, the Franchise Tax Board shall
2 do all of the following:

3 (1) (A) Except as provided in subparagraph (B), review the
4 books and records of all taxpayers allocated a credit pursuant to
5 this section to ensure compliance with the terms and conditions
6 of the written agreement between the taxpayer and GO-Biz.

7 (B) In the case of a taxpayer that is a “small business,” as
8 defined in Section 17053.73, review the books and records of the
9 taxpayer allocated a credit pursuant to this section to ensure
10 compliance with the terms and conditions of the written agreement
11 between the taxpayer and GO-Biz when, in the sole discretion of
12 the Franchise Tax Board, a review of those books and records is
13 appropriate or necessary in the best interests of the state.

14 (2) Notwithstanding Section 19542:

17 for that determination.

18 (B) Provide information to GO-Biz with respect to whether a

20 (e) In the case where the credit allowed under this section
21 exceeds the “net tax,” as defined in Section 17039, for a taxable
22 year, the excess credit may be carried over to reduce the “net tax”
23 in the following taxable year, and succeeding five taxable years,
24 if necessary, until the credit has been exhausted.

25 (f) Any recapture, in whole or in part, of a credit approved by
26 the committee pursuant to Section 18410.2 shall be treated as a
27 mathematical error appearing on the return. Any amount of tax
28 resulting from that recapture shall be assessed by the Franchise
29 Tax Board in the same manner as provided by Section 19051. The
30 amount of tax resulting from the recapture shall be added to the
31 tax otherwise due by the taxpayer for the taxable year in which
32 the committee’s recapture determination occurred.

33 (g) (1) The aggregate amount of credit that may be allocated
34 in any fiscal year pursuant to this section and Section 23689 shall
35 be an amount equal to the sum of subparagraphs (A), (B), and (C),

37 (A) Thirty million dollars (\$30,000,000) for the 2013–14 fiscal
38 year, one hundred fifty million dollars (\$150,000,000) for the
39 2014–15 fiscal year, and two hundred million dollars

1 (\$200,000,000) for each fiscal year from 2015–16 to 2017–18,
2 inclusive.

3 (B) The unallocated credit amount, if any, from the preceding
4 fiscal year.

5 (C) The amount of any previously allocated credits that have
6 been recaptured.

7 (D) The amount estimated by the Director of Finance, in
8 consultation with the Franchise Tax Board and the State Board of
9 Equalization, to be necessary to limit the aggregation of the
10 estimated amount of exemptions claimed pursuant to Section
11 6377.1 and of the amounts estimated to be claimed pursuant to
12 this section and Sections 17053.73, 23626, and 23689 to no more
13 than seven hundred fifty million dollars (\$750,000,000) for either
14 the current fiscal year or the next fiscal year.

15 (i) The Director of Finance shall notify the Chairperson of the
16 Joint Legislative Budget Committee of the estimated annual
17 allocation authorized by this paragraph. Any allocation pursuant
18 to these provisions shall be made no sooner than 30 days after
19 written notification has been provided to the Chairperson of the
20 Joint Legislative Budget Committee and the chairpersons of the
21 committees of each house of the Legislature that consider
22 appropriation, or not sooner than whatever lesser time the
23 Chairperson of the Joint Legislative Budget Committee, or his or
24 her designee, may determine.

25 (ii) In no event shall the amount estimated in this subparagraph
26 be less than zero dollars (\$0).

27 (E) (i) For the 2015–16 fiscal year and each fiscal year

31 subdivision (c) of Section 23636.

32 (ii) If the amount available per fiscal year pursuant to this section
33 and Section 23689 is less than the aggregate amount of credit
34 estimated by the Director of Finance to be allowed to qualified
35 taxpayers pursuant to subparagraph (A) or subparagraph (B) of
36 paragraph (1) of subdivision (c) of Section 23636, the aggregate
37 amount allowed pursuant to Section 23636 shall not be reduced
38 and, in addition to the reduction required by clause (i), the
39 aggregate amount of credit that may be allocated pursuant to this

1 section and Section 23689 for the next fiscal year shall be reduced
2 by the amount of that deficit.

3 (iii) It is the intent of the Legislature that the reductions specified
4 in this subparagraph of the aggregate amount of credit that may
5 be allocated pursuant to this section and Section 23689 shall
6 continue if the repeal dates of the credits allowed by this section
7 and Section 23689 are removed or extended.

8 (2) (A) In addition to the other amounts determined pursuant
9 to paragraph (1), the Director of Finance may increase the
10 aggregate amount of credit that may be allocated pursuant to this
11 section and Section 23689 by up to twenty-five million dollars
12 (\$25,000,000) per fiscal year through the 2017–18 fiscal year. The
13 amount of any increase made pursuant to this paragraph, when
14 combined with any increase made pursuant to paragraph (2) of
15 subdivision (g) of Section 23689, shall not exceed twenty-five
16 million dollars (\$25,000,000) per fiscal year through the 2017–18
17 fiscal year.

18 (B) It is the intent of the Legislature that the Director of Finance
19 increase the aggregate amount under subparagraph (A) in order to
20 mitigate the reduction of the amount available due to the credit
21 allowed to all qualified taxpayers pursuant to subparagraph (A) or
22 (B) of paragraph (1) of subdivision (c) of Section 23636.

23 (3) Each fiscal year, 25 percent of the aggregate amount of the
24 credit that may be allocated pursuant to this section and Section
25 23689 shall be reserved for small business, as defined in Section
26 17053.73 or 23626.

27 (4) Each fiscal year, no more than 20 percent of the aggregate
28 amount of the credit that may be allocated pursuant to this section
29 shall be allocated to any one taxpayer.

30 (h) GO-Biz may prescribe rules and regulations as necessary to
31 carry out the purposes of this section. Any rule or regulation
32 prescribed pursuant to this section may be by adoption of an
33 emergency regulation in accordance with Chapter 3.5 (commencing
34 with Section 11340) of Part 1 of Division 3 of Title 2 of the
35 Government Code.

36 (i) A written agreement between GO-Biz and a taxpayer with
37 respect to the credit authorized by this section shall comply with
38 existing law on the date the agreement is executed.

39 (j) (1) Upon the effective date of this section, the Department
40 of Finance shall estimate the total dollar amount of credits that

1 will be claimed under this section with respect to each fiscal year
2 from the 2013–14 fiscal year to the 2024–25 fiscal year, inclusive.

3 (2) The Franchise Tax Board shall annually provide to the Joint
4 Legislative Budget Committee, by no later than March 1, a report
5 of the total dollar amount of the credits claimed under this section
6 with respect to the relevant fiscal year. The report shall compare
7 the total dollar amount of credits claimed under this section with
8 respect to that fiscal year with the department’s estimate with
9 respect to that same fiscal year. If the total dollar amount of credits
10 claimed for the fiscal year is less than the estimate for that fiscal
11 year, the report shall identify options for increasing annual claims
12 of the credit so as to meet estimated amounts.

13 (k) This section is repealed on December 1, 2025.

14 *SEC. 274. Section 23636 of the Revenue and Taxation Code*
15 *is amended to read:*

16 23636. (a) For each taxable year beginning on or after January
17 1, ~~2015~~, 2016, and before January 1, ~~2030~~, 2031, a qualified
18 taxpayer shall be allowed a credit against the “tax,” as defined in
19 Section 23036, in an amount equal to 17½ percent of qualified
20 wages paid or incurred by the qualified taxpayer during the taxable
21 year to qualified full-time employees, subject to the limitations
22 under subdivision (c).

23 (b) For purposes of this section:

24 (1) “Annual full-time equivalent” means either of the following:

25 (A) In the case of a qualified full-time employee paid hourly
26 qualified wages, “annual full-time equivalent” means the total

11 prime contractor awarded a prime contract or a major first-tier
12 subcontractor awarded a subcontract to manufacture property for
13 ultimate use in or as a component of a new advanced strategic
14 aircraft for the United States Air Force. For purposes of this
15 paragraph, the term “prime contractor” means a contractor that
16 was awarded a prime contract for the manufacturing of a new
17 advanced strategic aircraft for the United States Air Force. For
18 purposes of this paragraph, the term “major first-tier subcontractor”
19 means a subcontractor that was awarded a subcontract in an amount
20 of at least 35 percent of the amount of the initial prime contract
21 awarded for the manufacturing of a new advanced strategic aircraft
22 for the United States Air Force.

23 (4) “Qualified wages” means wages paid or incurred by the
24 qualified taxpayer during the taxable year with respect to qualified

37 production of a new advanced strategic aircraft for the United
38 States Air Force under a contract that is expected to be awarded
39 in the first or second calendar quarter of 2015. “New Advanced
40 Strategic Aircraft Program” does not include any contract awarded

1 prior to August 1, 2014, and does not include a program to upgrade,

5 (7) “Total annual full-time equivalents” means the number of
6 a qualified taxpayer’s qualified full-time employees computed on

8 (c) (1) The total aggregate amount of the credit that may be
9 allowed to all qualified taxpayers pursuant to this section shall be
10 as follows:

11 (A) In years one through five of the credit, the total aggregate
12 amount of the credit that may be allowed to all qualified taxpayers
13 pursuant to this section shall not exceed twenty- five million dollars
14 (\$25,000,000) per calendar year.

15 (B) In years 6 through 10 of the credit, the total aggregate

17 pursuant to this section shall not exceed twenty-eight million
18 dollars (\$28,000,000) per calendar year.

19 (C) In years 11 through 15 of the credit, the total aggregate

24 of all qualified taxpayers with respect to which a credit amount
25 may be allowed under this section for a calendar year shall not
26 exceed 1,100.

27 (3) (A) The Franchise Tax Board shall allocate the credit to the
28 qualified taxpayers on a first-come-first-served basis, determined
29 by the date the qualified taxpayer’s timely filed original tax return
30 is received by the Franchise Tax Board. If the returns of two or
31 more qualified taxpayers are received on the same day and the
32 amount of credit remaining to be allocated is insufficient to be
33 allocated fully to each, the credit remaining shall be allocated to
34 those qualified taxpayers on a pro rata basis.

35 (B) For purposes of this paragraph, the date a return is received
36 shall be determined by the Franchise Tax Board. The determination
37 of the Franchise Tax Board as to the date a return is received and
38 whether a return has been timely filed for purposes of this
39 paragraph may not be reviewed in any administrative or judicial
40 proceeding.

1 (C) Any disallowance of a credit claimed due to the limitations
2 specified in this subdivision shall be treated as a mathematical
3 error appearing on the return. Any amount of tax resulting from
4 that disallowance may be assessed by the Franchise Tax Board in
5 the same manner as provided in Section 19051.

6 (4) The credit allowed under this section must be claimed on a
7 timely filed original return.

8 (d) In the case where the credit allowed by this section exceeds
9 the “tax,” the excess may be carried over to reduce the “tax” in
10 the following year, and the seven succeeding years if necessary,
11 until the credit is exhausted.

12 (e) A credit shall not be allowed unless the credit was reflected
13 within the bid upon which the qualified taxpayer’s prime contract
14 or subcontract to manufacture property for ultimate use in or as a
15 component of a New Advanced Strategic Aircraft Program is based
16 by reducing the amount of the bid by a good faith estimate of the
17 amount of the credit allowable under this section.

18 (f) All references to the credit and ultimate cost reductions
19 incorporated into any successful bid that was awarded a prime
20 contract or subcontract and for which a qualified taxpayer is
21 making a claim shall be made available to the Franchise Tax Board
22 upon request.

23 (g) If the qualified taxpayer is allowed a credit pursuant to this
24 section for qualified wages paid or incurred, only one credit shall
25 be allowed to the taxpayer under this part with respect to any wage
26 consisting in whole or in part of those qualified wages.

27 (h) (1) The Franchise Tax Board may prescribe regulations
28 necessary or appropriate to carry out the purposes of this section.

29 (2) The Franchise Tax Board may also prescribe rules,
30 guidelines, or procedures necessary or appropriate to carry out the
31 purposes of this section. Chapter 3.5 (commencing with Section
32 11340) of Part 1 of Division 3 of Title 2 of the Government Code
33 shall not apply to any rule, guideline, or procedure prescribed by
34 the Franchise Tax Board pursuant to this section.

35 (i) This section shall remain in effect only until December 1,
36 ~~2030~~, 2031, and as of that date is repealed.

9 do all of the following:

10 (1) (A) Except as provided in subparagraph (B), review the

13 of the written agreement between the taxpayer and GO-Biz.

14 (B) In the case of a taxpayer that is a “small business,” as
15 defined in Section 23626, review the books and records of the

32 (f) Any recapture, in whole or in part, of a credit approved by

19 this section and Sections 17053.73, 17059.2, and 23626 to no more

27 allowed to all qualified taxpayers pursuant to subparagraph (A) or
28 (B) of paragraph (1) of subdivision (c) of Section 23636.

29 (3) Each fiscal year, 25 percent of the aggregate amount of the

13 will be claimed under this section with respect to each fiscal year
14 from the 2013–14 fiscal year to the 2024–25 fiscal year, inclusive.

15 (2) The Franchise Tax Board shall annually provide to the Joint
16 Legislative Budget Committee, by no later than March 1, a report
17 of the total dollar amount of the credits claimed under this section
18 with respect to the relevant fiscal year. The report shall compare
19 the total dollar amount of credits claimed under this section with
20 respect to that fiscal year with the department’s estimate with
21 respect to that same fiscal year. If the total dollar amount of credits
22 claimed for the fiscal year is less than the estimate for that fiscal
23 year, the report shall identify options for increasing annual claims
24 of the credit so as to meet estimated amounts.

3 costs or services and not be reimbursed therefor if they are
4 identified and presented separately on the cost report.

5 (d) (1) When it is established that the provider fraudulently
6 claimed and received payments under this chapter, the provider
7 shall pay, in addition to that portion of the claim that was
8 improperly claimed, a penalty of 300 percent of the amount
9 improperly claimed, plus the cost of the audit.

10 (2) In addition to the penalty and costs specified by paragraph
11 (1), interest shall be assessed at the rate specified by subdivision
12 (h) of Section 14171.

13 (3) For purposes of this subdivision, a fraudulent claim is a
14 claim upon which the provider has been convicted of fraud upon
15 the Medi-Cal program.

16 (e) Nothing in this section shall prevent the imposition of any
17 other civil or criminal penalties to which the provider may be
18 liable.

19 (f) Any appeal to any action taken pursuant to subdivision (b),
20 (c), or (d) is subject to the administrative appeals process provided
21 by Section 14171.

22 (g) As used in this section, "cost of the audit" includes actual
23 hourly wages, travel, and incidental expenses at rates allowable
24 by rules adopted by the ~~California Victim Compensation and~~
25 ~~Government Claims Board~~ *Department of General Services* and
26 applicable overhead costs that are incurred by employees of the
27 state in administering this chapter with respect to the performance
28 of audits.

29 (h) This section shall not apply to any clinic licensed pursuant
30 to subdivision (a) of Section 1204 of the Health and Safety Code,
31 clinics exempt from licensure under Section 1206 of the Health
32 and Safety Code, health facilities licensed under Chapter 2
33 (commencing with Section 1250) of Division 2 of the Health and
34 Safety Code, or to any provider that is operated by a city, county,
35 or school district.

36 *SEC. 285. Section 15634 of the Welfare and Institutions Code*
37 *is amended to read:*

38 15634. (a) No care custodian, clergy member, health
39 practitioner, mandated reporter of suspected financial abuse of an
40 elder or dependent adult, or employee of an adult protective

1 services agency or a local law enforcement agency who reports a
2 known or suspected instance of abuse of an elder or dependent
3 adult shall be civilly or criminally liable for any report required
4 or authorized by this article. Any other person reporting a known
5 or suspected instance of abuse of an elder or dependent adult shall
6 not incur civil or criminal liability as a result of any report
7 authorized by this article, unless it can be proven that a false report
8 was made and the person knew that the report was false. No person
9 required to make a report pursuant to this article, or any person
10 taking photographs at his or her discretion, shall incur any civil or
11 criminal liability for taking photographs of a suspected victim of
12 abuse of an elder or dependent adult or causing photographs to be
13 taken of such a suspected victim or for disseminating the
14 photographs with the reports required by this article. However,
15 this section shall not be construed to grant immunity from this
16 liability with respect to any other use of the photographs.

17 (b) No care custodian, clergy member, health practitioner,
18 mandated reporter of suspected financial abuse of an elder or
19 dependent adult, or employee of an adult protective services agency
20 or a local law enforcement agency who, pursuant to a request from
21 an adult protective services agency or a local law enforcement
22 agency investigating a report of known or suspected abuse of an
23 elder or dependent adult, provides the requesting agency with
24 access to the victim of a known or suspected instance of abuse of
25 an elder or dependent adult, shall incur civil or criminal liability
26 as a result of providing that access.

27 (c) The Legislature finds that, even though it has provided
28 immunity from liability to persons required to report abuse of an
29 elder or dependent adult, immunity does not eliminate the
30 possibility that actions may be brought against those persons based
31 upon required reports of abuse. In order to further limit the financial
32 hardship that those persons may incur as a result of fulfilling their
33 legal responsibilities, it is necessary that they not be unfairly
34 burdened by legal fees incurred in defending those actions.
35 Therefore, a care custodian, clergy member, health practitioner,
36 or an employee of an adult protective services agency or a local
37 law enforcement agency may present to the ~~California Victim~~
38 ~~Compensation and Government Claims Board~~ *Department of*
39 *General Services* a claim for reasonable attorneys' fees incurred
40 in any action against that person on the basis of making a report

required or authorized by this article if the court has dismissed the action upon a demurrer or motion for summary judgment made by that person, or if he or she prevails in the action. The ~~California Victim Compensation and Government Claims Board~~ *Department of General Services* shall allow that claim if the requirements of this subdivision are met, and the claim shall be paid from an appropriation to be made for that purpose. Attorneys' fees awarded pursuant to this section shall not exceed an hourly rate greater than the rate charged by the Attorney General at the time the award is made and shall not exceed an aggregate amount of fifty thousand dollars (\$50,000). This subdivision shall not apply if a public entity has provided for the defense of the action pursuant to Section 995 of the Government Code.
